City Study Group Election Canvassed Holds First Meet On Improvement

Canyon capital improvement study committee met for the first time Monday night in conjunction with the Canyon City Commissioners at city hall.

The study committee was appointed several weeks ago by the city commissioners to give them some representative advice on major capital improvements for the city.

Members of the study committee are Herschel Coffee, Clay Cooper, Dr. W. J. Wooten, Don Standley, C. J. Hughes, Joe Hooper and Wilford Taylor, Jr.

The committee studied the standing problems of city drainage and discussed some possible solutions to the problems as proposed by the city engineer.

The group will study in detail, the various aspects of city drainage including ways and means to finance any proposals and recommendations that may be accepted by the city fathers.

The study committee will meet in conjunction with the city commission at their regular meetings.

During regular city business, Bill York, city manager, showed the commissioners a new form contract the city is adopting for use with new city water users.

The new contract outlines the

responsibilities of the city as well as the water user concerning city services.

The contract starts off with a welcoming message to the new user. It says in part: "Welcome to Canyon! Your city office is here to serve you and provide you with the best service possible. We feel the following information will be of benefit to you. Please let us know if we can be of any further assistance."

In other action, the commissioners discussed a revision of certain parking zones in the city.

(See CITY, Page 3)

Election Canvassed

Randall County Commissioners court canvassed the election returns from the Nov. 6 election at its regular meeting Monday.

Accepting bids on a pickup for Precinct 3 was deferred until next week.

Commissioners heard a request by Richard Cazzell of Amarillo, representing Preston Brown of Amarillo, who wants to purchase from the county a tract of land just off Bowie Street in South Amarillo.

Cazzell said Brown owns land on both sides of the county property and wants the land to fill out his tract.

Commissioner B.R. Jones said the county would need to ascertain whether the city of Amarillo would like to use the property at any time as right of way for a street to gain

(See ELECTION, Page 3)

Kerbel Will Stay Three More Years

Sun Bowl For WT

BUFFALO COACH JOE KERBEL has reached an "understanding" with West Texas State College through which he will remain as head coach at WT for the next three years. During

his tenure at WT, Kerbel has mended Buff football fortunes and is swiftly becoming one of the better known mentors in college football.

West Texas State will be the home team in the Sun Bowl. Sources close to the Sun Bowl Wednesday said this is next to a certainty if the Buffaloes will accept the bid which is expected to come Monday of next week.

Four teams are in the running to oppose the Buffs in the grid classic. The source in El Paso who declined to be quoted said these teams are Memphis State, Bowling Green, Villanova and Miami of Ohio.

The source said New Mexico has been considered but is not a likely candidate. He said it would be safe to say the visiting team will come from the Middle West.

This news came close on

the heels of an announcement by the board of regents that head coach, Joe Kerbel, had been offered another three-year "understanding" at a substantial increase in salary.

The "understanding" also stipulated raises for Kerbel's assistants.

Buff fans here had hoped to see their favorites play in the Cotham Bowl in New York but the loss last week end to North Texas State dashed hopes for that bid.

Under the able coaching of Kerbel, the Buffs with a 7-2 record at this point have posted one of the best seasons in recent years.

There has been some speculation that Wyoming might be

(See SUN, Page 3)

Plans Afoot To Revamp At West Texas College

A plan for divisional reorganization of West Texas State College has been approved by its board of regents for submission to the Texas Commission on Higher Education, President James P. Cornette has announced.

The plan is one of three items on which WT will seek Commission approval, and is an outgrowth of a proposal for a new program for the certification of school administrators.

Permission to request the changes from the Commission was granted by the Board of Regents of Texas State Teachers Colleges at its November meeting in Austin.

Being sought are (1) art as an all-grade-level teaching field at the secondary level only; (2) a program for the certification of high school and elementary school principals through a six-year plan, with modifications in the organization of the college as a whole, in line with modifications to be made in the organization of teacher education.

Under the proposed reorganization, the present three divisions of humanities, sciences, and social sciences would form the "College of Arts and Sciences," and three other units would be the School of Business, School of Teacher Education, and the Graduate School.

Presently, West Texas State is organized under a plan established about 1951, with four divisions, the School of Business, the School of Education, the School of Arts and Sciences, and the Graduate School.

ness, and the Graduate Division.

The Professional and Vocational Group would be eliminated.

(See PLANS, Page 3)

Second Sabin Sunday

Type II Sabin oral polio vaccine will be given here Sunday, according to Dr. J. Manley Bryan, representative for the Randall-Potter County Medical Association.

The oral vaccine will be administered from noon until 6 p.m. at Canyon Elementary School, Dr. Bryan reported.

There were two dispensing stations when type I was administered in October. Dr. Bryan said it was learned that the second station was not needed.

He said it will be necessary for those who have taken type I to bring original registration cards or register again for the vaccine.

Some 5700 persons received the vaccine here in October. Dr. Bryan said this figure amounted to about 70 percent of the entire population.

Approximately 100 volunteers worked at the dispensing points here in October. Volunteer workers will help out at the dispensing station Sunday.

Man Unhurt By 30-foot Drop Friday

George Penn, employed by Happy Wheat Growers, was unhurt last Friday after a 30-foot fall from a barn.

A. J. McCarley, manager of the elevator, said the man slipped and fell from a barn ladder. Mr. McCarley declined further comment.

Reports here said Penn hit the ground on his hands and feet. His trousers were split by the impact.

He was examined by a physician and returned immediately to the job after drinking a cup of coffee. He complained that the bottom of his feet were burning.

Sausage Festival Draws Almost Three Thousand

More than 2750 people were fed at the Fall Umbarger German Sausage Festival during 10 consecutive hours of serving Sunday.

Siegfried Bolte, chairman of the festival, said the serving went on continuously from 11:00 o'clock until 9:00 at night.

He said the 2750 meals served did not include meals served to children under six years of age.

Bolte said he expected about 2000 adults at the festival but nearly that many were fed at the noon meal alone.

He said that many were still being served at 4:00 o'clock when the evening meal was supposed to begin.

Many hundreds of persons came from the surrounding areas of Amarillo, Canyon and Hereford to attend the festival.

German sausage was the center of the menu at the festival. Other foods served were mashed potatoes with gravy made from the sausage drippings, green beans, salad and homemade breads and pies. The line outside the serving line was several hundred yards long, with many people waiting nearly three hours to be fed.

Many in the line were impatient. The wind was high and nippy, though the skies were a

clear blue. Everyone went away reasonably happy after having eaten.

After finishing their sausage and beans, most of the visitors headed for the new addition to the dining hall where the country store was open. There, the women of Umbarger sold homemade crafts such as rugs, needlework and stuffed dolls.

(See SAUSAGE, Page 3)

FM Road Is Begun

William V. York, Senior Resident Engineer, of the Texas Highway Department for the Canyon area, has announced that construction has begun on a new Farm to Market Highway in Randall County.

Projected Farm to Market 2394 and will proceed southeast for 5 miles, he said. Contractor for the construction will be Gilvin-Terrill, Inc. Plans call for the completion of the Farm to Market road by January 15, 1963.

York explained that traffic will be routed through the project and urged that all motorists obey the warning signs and barricades which he said would be prominently displayed at all times.

Bufs Meet Cowpokes In Season's Finale

After dropping two of its last three games, West Texas State will close the 1962 football season Saturday afternoon against Hardin-Simmons University at Abilene. It will be Homecoming for the improving Cowboys.

Despite the recent tail-spin, West Texas can compile its best record since 1956 with a win over Hardin-Simmons. The Buffs of Joe Kerbel have won seven and lost two, and an 8-2 mark would match the 1956 record that won the Herd a berth in the Tangerine Bowl at Orlando, Fla.

The most recent setback for high-scoring West Texas was a 20-13 upset by North Texas Saturday night at Denton. The Buffs gave the Eagles two touchdowns just before the half on fumbles, and lost the ball six times in all on fumbles and pass interceptions. It was easily the worst game of the season for the Kerbel crew.

"We gave it away," Kerbel said, "and we had better get ready for Hardin-Simmons this week. Hardin-Simmons has improved each week, and has a much better team than its record of one win and eight losses."

Coach Joe Rector scouted the Cowboys' 7-6 loss to Arlington State last week, and pointed out it should have been a Hardin-Simmons win. The Cowboys had wide margins in all statistical departments, but key penalties kept them in the hole.

After seeing only limited action in four games with a strained ligament in his leg, Pete Pedro flashed some of his old running form against North Texas and still tops the Buffs in rushing. He gained 92 yards in 15 carries to boost the season mark to 761, a 6.4 per

carry average.

Jerry Logan, the nation's leading major college scorer, added one touchdown and an extra point to his total, making it 95 points for the year. He has kicked 27 of 32 placements.

Presently, West Texas State is organized under a plan established about 1951, with four divisions, the School of Business, the School of Education, the School of Arts and Sciences, and the Graduate School.

Under the proposed reorganization, the present three divisions of humanities, sciences, and social sciences would form the "College of Arts and Sciences," and three other units would be the School of Business, School of Teacher Education, and the Graduate School.

County Becomes Feed Lot As Cattle Arrive

More than 100 thousand acres of winter wheat is turning Randall County into a big feedlot for cattle this fall and winter.

Cattle are pouring into the county by the thousands of head every week. Risks are high but profits to cattlemen and wheat farmers go hand and hand with the risks.

In most years Randall County has a rather stable cattle population of just under 20 thousand head. A good wheat pasture year such as this one seems to be causing this number to double for a few months.

The cow-calf operator usually sells the calves to stocker buyers in October and winters the breeding cows on range grasses and or wheat pasture. Quite often calves are held over when the wheat is good. Cattlemen who are also wheat farmers often buy light calves to utilize their wheat in addition to running their mother cows.

It is the stocker cattle operators who make this game fast and interesting. They lease wheat pasture and buy cattle for stocking.

They hope to put enough gain on the cattle to pay lease, stand death losses, veterinary supplies, pay extra help, hauling, sales expense, interest charges, feed during bad weather, and still make money. Quite often they do.

Most operators want to buy light calves, preferably steers of local origin. Calves of 400 lbs. or under are preferred. These are hard to get and when found are expensive. Local ranchers do not produce this volume of calves and quite often local calves may weigh 500 or more pounds when sold. For this reason a goodly percentage of wheat pasture calves are imported.

Calves from south and eastern Texas, Louisiana, and from the ranges of New and Old Mexico are regularly brought to wheat pasture in Randall County. Many are mixed in breeding and represent the Hereford, Angus, Durham, Shorthorn, and the dairy breeds and all combinations.

The big worry of the cattlemen are wintertime blizzards. During very cold weather cattle on wheat pasture shrink badly, supplemental feeding is necessary, sickness and death losses increase, and the wheat slows or stops growth.

Wheat pasture cowboys practice veterinary medicine in a big way. They often use cases of antibiotics to clear up stubborn cases of shipping fever and pneumonia usually found in cattle which are traded around and hauled.

Wheat pasture poisoning is common when cows are calved on wheat pasture. The job of riding fences, looking after

Gold Star 4 H Clubbers Are Named For Randall

A Canyon boy and girl have been chosen the Randall County Gold Star 4-H Club boy and girl for 1962.

They are Chester Hales, son of Mr. and Mrs. Joe V. Hales of Route 1, Canyon and Cindy Gruner, daughter of Mr. and Mrs. Forrest Gruner, Route 2, Canyon.

The award is presented each year by the Texas A & M College Extension Service to the outstanding 4-H boy and girl in the county.

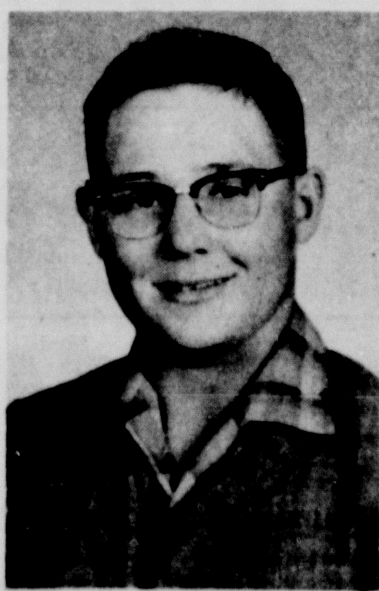

Winners and their parents will represent Randall County at the District Gold Star Banquet at Amarillo Saturday night.

In 1961 Hales received the Leadership Award for his outstanding work in the Randall County 4-H Club. In 1960, he received the Beef Cattle award for his superior work in steer feeding. He also won the Canyon V. F. W. award for excellence in his 4-H Club work.

Hales started his 4-H Club work when his dad gave him a registered heifer. His present dairy herd of two cows and their two calves are from this first heifer. He has fed 8 beef steers and has handled a swine feeding project.

Hales has also shown animals at 4 county shows, 6 district shows and 3 state shows. He has been a 4-H Club member for 5 years.

Miss Gruner has entered many 4-H contests in livestock, foods and clothing. She has been an active member of the Randall County 4-H for five years.

CHESTER HALES

CINDY GRUNER

She was the 1962 winner of the 4-H Dress Revue, a winner in the Junior Division of the District Dairy Foods Contest and was alternate in the Junior Division in the District 4-H Favorite Foods Contest.

Miss Gruner has shown five beef cows and thirteen calves in competitions. She has raised swine for five years and exhibited them at Junior Livestock shows for four years.

Miss Gruner has practiced gardening for five years, working her own garden plot and exhibiting the products at the Amarillo Tri-State Fair. She has done her own freezing, having prepared and frozen some 56 pounds and 101 pints of frozen foods.

She has canned foods for five years also, preparing and preserving 129 quarts of foods,

and exhibiting five quarts and pints of vegetables and jams at the Amarillo Tri-State Fair in 1960.

She has prepared 102 dairy dishes and has won the county and district Junior Individual Dairy Foods Demonstration in 1960 and in 1962.

For five years, Miss Gruner has done 4-H work in foods and nutrition. She participated in the county and district Favorite Foods Show of 1962 and was alternate in the District in 1962. She has also participated in the County Bake Show for five years.

Miss Gruner has been active in clothing and sewing for five years also. She participated in the county 4-H Dress Revue for the last five years. She won the 1962 Randall County 4-H Dress Revue.

Canyon will play host to the District 13 VFW convention Dec. 1 and 2.

On hand for the get-together will be Mrs. Ann Marshall of San Angelo, state auxiliary president, and Victor Afflerbach of Lubbock, past department commander.

Registration for the convention will begin at 5 o'clock the afternoon of Dec. 1. There will be a social hour and a dance that night.

Meetings will be held the following day with a joint banquet and meeting of the VFW and auxiliary at noon in the American Legion Hall.

H. R. King, commander of the local post, is in charge of arrangements. The Canyon post will honor all past district presidents and district commanders as guests of the community during the convention.

VFW Slates Convention Here Dec. 1

Union Service Planned Here

The Union Thanksgiving Service, sponsored annually by the Canyon Pastors' Association will be held Wednesday, November 21, at 8 p.m. in the Assembly of God Church located at Ninth Avenue and the Lubbock highway.

Rev. Lars Hammerson, pastor of the Presbyterian Church, will bring the message. Special music will be provided by the Canyon High School Choir under the direction of Gene Murry.

An offering will be received at this service for the help of transient persons in this area. The public is invited to come and worship.

News Locates Missing Heir

The Canyon News has found a missing heir! About a month ago The News published a story about Manhattan Life Insurance Company's search for the heirs of Elissa David Auld who took out a policy with the company in 1902.

This week The News received a letter from a relative of Mr. Auld, Mrs. Mollie Auld of Palm Springs, Cal., with the information sought by the insurance firm.

She says Elissa Auld has a son, E. D. Auld, living at Hollywood, N. M. "So far as I know," she wrote, "there are three sons and a daughter living."

The information is being forwarded to the insurance company.

Elissa Auld lived in Canyon so long ago that no one now living here remembered him from the news story. Mrs. Mollie Auld learned of the quest from The Canyon News.

Plans. . .

(Continued From Page 1)
nated, with its departments of journalism, agriculture, and education being placed in the divisions of humanities, sciences, and the School of Teacher Education, respectively.

Military Science, which is now listed under the Professional and Vocational Group, would be listed as a separate department under the College of Arts and Sciences.

Three distinct departments: accounting, business administration, would be formed in the School of Business, replacing the present several "areas of concentration."

The proposed School of Teacher Education would include the departments of Education and Psychology, Educational Administration, Student Teaching, Industrial Arts, Physical Education for Men, and Physical Education for Women.

"Arrangement of Industrial Arts and the two departments of physical education under the School of Teacher Education would be logical in that we now report enrollments in those departments to the Texas Education Agency as teacher education," Dean Walter H. Juniper said.

The reorganization proposal has grown out of plans for a new program at WT for certification of school administrators which will meet new requirements set by the Texas Education Agency. It would call for a two-year program beyond the bachelor's degree, entailing certification first for a professional teacher's certificate, three years of teaching experience, an internship plan, and the master of education degree.

"This will not make WT a six-year college, although it amounts to a sixth year of work for the candidate," Dr. Juniper said. "It involves only a modifying and combining of the two presently approved fifth-year programs rather than an adding of a sixth year to the instructional program of the college."

The program calls for 66 semester hours of work beyond the bachelor's degree. A teacher with a bachelor's degree certified to teach, holds a provisional certificate, Dr. Juniper said. The first year of the new plan would call for 36 hours toward a professional certificate and toward a master of education degree.

Candidates for the school administrator certificate would be carefully screened, Dr. Juniper said.

City. . .

(Continued From Page 1)
The commissioners held an open hearing for property owners adjacent to Block 31, Normal Addition on the south side of Canyon. The block is up for change that will change it from residential to commercial, permitting Charles Gerald to move his trailer court onto the block.

Property owners, Floyd Thomas, Bob Costley, J.B. Holt, Roger Dugan, Jerry Johnigan, and Edwin Kuehn told the commissioners their feelings. Only J.B. Holt was in favor of the rezoning.

The commissioners took no action on the rezoning. They finished the meeting in discussion with the capital improvements study committee.

Election. . .

access to the nearby expressway.

Judge Wayland Angel asked Cazzil, who also is chairman of the Amarillo Planning and Zoning Commission, that he supply commissioners court with complete traffic counts of the area as well as a statement from the city of Amarillo as to the city's wishes in the matter.

Cazzil said he would appear before the court again within the next two weeks.

John Kenehan, Randall County Republican chairman, visited the court Monday as did Bill Butler, commissioner-elect.

On hand to observe proceedings for the Amarillo Junior League was Mrs. Allen Dawson, Jr.

Open House Thursday At Canyon High

Open house will be held at the high school Thursday night at 7:30.

Sponsored by the P-TA, this is the time when parents follow the class schedules of their high school children, in a condensed version.

Following a general meeting in the auditorium, parents will then begin their child's daily schedule, meeting each teacher and visiting each room. Principal J. E. Miller will make necessary explanations. However, students are to submit their schedules to their parents preceding the meeting.

Hospitality will be available following the meeting. This is the fourth P-TA meeting for the school year, and the third school visited.

Miss Avent Is Claimed By Death

Miss Maggie Avent, 87, died Saturday at St. Anthony's Hospital in Amarillo.

Miss Avent was born July 27, 1875 in Belton, Texas, and is a former resident of Canyon. She has lived in Amarillo 47 years, her last address being 1814 Pecos. She received her B. A. degree from West Texas State College, and did graduate work at Northwestern. After teaching school in Hereford, she was employed in the Amarillo school system for 27 years.

Miss Avent held a life-time membership in the YWCA, was a member of the Canyon Methodist Church, Delta Kappa Gamma sorority, and the Order of the Eastern Star.

Services were held in the LaGrone Funeral Chapel Monday at 10 a.m. Rev. Newton

Sausage. . .

(Continued From Page 1)

Home-canned goods, fruits and vegetables, were offered for sale, also.

Many of those leaving the festival were heard to say, "It was a long wait, but it sure was worth it."

Bolte said the festival was considered a success. "Everyone was sure worn out," he added, "especially the cooks who kept right at it from early Sunday morning until late that night."

A dance followed the supper at 9:00.

PTA Sponsors Thanksgiving Dinner Sunday

Canyon Parent-Teachers Association is sponsoring a Thanksgiving Dinner, Sunday, November 18th at the Canyon High School Cafeteria. Serving hours will be 12 to 5 p.m.

Menu will include the traditional turkey with dressing and gravy, mashed potatoes, green beans and cranberry salad. Hot rolls with butter, pumpkin chiffon pie and coffee will top off the menu.

Tickets may be purchased at the door of the cafeteria. Adult tickets are \$1.25, students \$1.00 and children under six 50¢.

Starnes, pastor of First Methodist Church, assisted by Dr. J. A. Hill. Burial was in Dreamland Cemetery.

Active pallbearers were Robert A. W. Lair, James Lair, Tommy Lair, Bill Avent, George Lair, George A. Davis, and Malcolm Kornegay. Honorary pallbearers were George Avent, Homer Smith, Don Avent, Jewel Avent, Jack Avent, Lavert Avent, Jr., and Stanley Lair.

Survivors include one brother, W. Lavert Avent, and two sisters, Mrs. Jewel Davis, 1814 Pecos, Amarillo; and Mrs. Tom Lair, 803 Fourth Avenue, Canyon.

New Families Here Listed By Chamber

The Canyon Chamber of Commerce has listed 11 new families that have recently moved into Canyon, according to Mrs. Clyde Warwick, chairman of the welcoming committee.

The new families are: Mr. and Mrs. Floyd Lassiter and daughters from Pampa, Mr. and Mrs. Darwin Anderson and children from Bermuda, Mr. and Mrs. Joe W. Cleveland, Jr. and daughters from Dallas, Mr. and Mrs. Ed Campbell and sons from Hale Center, Mr. and Mrs. Gerald Hemphill and children from Enid, Oklahoma, Mr. and Mrs. Robert Crozier and family from Friona, Mr. and Mrs. Dale Schomp and daughters from Stillwater, Oklahoma, Capt. and Mrs. Aaron Dorrough and children from Amarillo, Mrs. Homer Dockery from Pampa, Glenn Fitts from Tucson, Arizona, and Mr. and Mrs. A. J. Bailey and children.

Principal Miller comments, "This procedure of having the parents follow their children's schedules has seemed to work well in the past, so we will try it again."

Junior Hereford Meeting Set Here

Election of new officers will be the order of business for the Panhandle Junior Hereford Breeders Association at their scheduled meeting, Wednesday at 7:30 in the West Texas Student Union Building.

The West Texas State College Block and Bridal Club will host the meeting. Jim Higgins of Hereford, president of the association, said new directors and county advisors will also be named at the meeting.

Turnout Good For Vets' Day

One hundred seventeen veterans were present at the 41st annual Veterans Day Breakfast held Sunday at the Legion Hall in Canyon.

The breakfast honors all veterans of all wars, and is sponsored by the Canyon American Legion. Food for the event was prepared by members of the post.

The program consisted of a song fest of World War I songs, led by Bill Knighton. Mrs. Irene Ball accompanied on the piano.

The Canyon American Legion Post Commander is Wes Kleinschmidt. Last year the post had 91 members, its full quota, but Mr. Kleinschmidt reports that the quota has not yet been filled this year.

A total of \$126.51 was received Saturday during the annual poppy sale conducted by the Women's Auxiliary of the Canyon American Legion Saturday.

The members of the Auxiliary express their thanks to the people of Canyon for their cooperation in making the poppy sale a success.

Chairman of the sale was Mrs. Wes Kleinschmidt.

County. . .

(Continued From Page 1)
erally being available when needed is a necessary part of this business.

Right now the wheat is in very good condition. Some leaf rust is found on wheat but this is not troublesome. Wheat pasture is leasing at about 75 cents per hundred weight of cattle per month or slightly higher.

A four months run is considered good. Top gains on irrigated wheat run up to 100 pounds of gain per acre. Money lenders are forecasting a good run until at least the first of the year.

Gains are slow or non-existent during January and the first half of February. Spring gains start then and continue until about March 15 when the cattle are removed to allow the wheat to make grain. Grazing has very little reduced effects on the grain crop if good judgement is used.

The common market for wheat pasture cattle when they are removed in March is the feeder. He takes feeder weight cattle, from 600 to 700 lbs and puts on the necessary finish to put cattle onto the slaughter market.

Right now good steer calves of the right kind are selling at about 30 cents per pound. The price for slaughter cattle when they are finished is several cents below this.

The wheat pasture business operates on a low cost gain basis. A gain of 1.5 lbs per day is not uncommon on wheat pasture alone. All combinations are found now in Randall County. This business moves fast. High risks go along with high profits. The months just ahead alone will determine how we come out.

Sun. . .

(Continued From Page 1)
the team to oppose the Buffs at El Paso. The source in El Paso said Wyoming is not being considered for the bowl game.

Indications were strong Wednesday that the word already is out in El Paso that the Buffaloes will be there. Ray Sanchez, sports writer on The El Paso Herald-Post, was guarded in his comment on the subject.

"West Texas State has been considered," Sanchez declared Wednesday. "I wouldn't want to say any more than that. Our man who handles that is fishing and couldn't be reached today."

The new "understanding" with Kerbel was announced in Austin last Saturday. Dr. Cornette would not divulge the new salary for the head coach. Kerbel's present salary is \$11,000 a year.

The "understanding" and raise become effective for Kerbel Jan. 1. Dr. Cornette explained that coaches are employed on a calendar year basis beginning Jan. 1. Raises for Kerbel's assistants become effective on the same date.

Kerbel's assistants are Jack Harris, Bill Willingham, Joe Rector and Howard White. Cornette said there has been no written contract with Kerbel. He said the coach has agreed to remain at WT three more years and will be under moral if not legal obligation to remain here for that period.

Kerbel came to WT Jan. 1, 1960. His team won three and lost seven in 1960. Last year the Buffs posted a 6-4 record and this season have won 7 and lost 2 with only one regularly scheduled game remaining to be played.

Services For Mrs. Loudder Held

Funeral services for Mrs. Florence Ima Nell Loudder, 53, of Happy were conducted in the First Baptist Church of Happy Tuesday at 2 p.m. with the Rev. Jack Jeter, Baptist minister, officiating.

Mrs. Loudder died at her home in Happy, Monday. She was born March 10, 1909, in Fannin County, Texas, and was married in Tulsa on September 28, 1943. She moved from Floydada to Happy in 1939.

She was a member of the First Baptist Church of Happy, and belonged to the order of the Eastern Star. Burial was in the Happy Cemetery. LaGrone Funeral Home was in charge.

Pall bearers were Ross Forsyth, Evans Holland, Harry Hardaway, Willard Middleton, Dale Whitlow, Bob Dowd, Merle McFarland, and Robert O. Williams. Survivors include her husband Bob Loudder of Happy; a daughter, Bob Ann, of Happy; her mother, Mrs. J. W. Jackson of Lockney; five sisters, Mrs. Cliff Rhodes of Albuquerque, New Mexico, Mrs. Willis Reynolds and Mrs. Hazel Wofford of Lockney, Mrs. H. G. Sprawls of Denver City, Mrs. Wade Carpenter of Farwell; and five brothers, Dwight, Floyd, and

Guy Jackson, all of Lockney, E. M. of Floydada, and Carl of Plainview.

THINK, IRRIGATION FARMER!

WATER is a commodity so precious that no tyrant has ever dared deny it to his people.

The earliest records of our civilization are linked to the spring and the waterhole, the river and the well.

The Children of Israel faltered in the wasteland and were ready to revolt until Moses struck the rock and brought forth a spring.

Wars have been fought over water rights and mighty nations have vanished because their water resources failed.

In view of these facts, can you afford the luxury of irrigation "TAILWATER ??"

High Plains Underground Water Conservation District

Carruth Gets State Office

Dr. Paige Carruth, associate dean of men at West Texas State College, has been elected secretary-treasurer of the Texas Association of Student Personnel Administrators.

Dr. Carruth will serve a three-year period, after being elected at the annual convention of the group last week in Beaumont.

Cancer Meet

Dr. W. Q. Budd will be the guest speaker at the November meeting of the Randall County Board of Directors of the American Cancer Society.

The meeting will be held today at noon in the Blue Room of the college cafeteria. All members are urged to attend.

I am deeply grateful to each of you who supported me in the General Election. As your next State Representative—94th Floterial District, I shall do everything within my power to improve the stature of Panhandle representation at Austin . . . and to justify the faith in me which you expressed by your vote at the polls.

J. M. (RED) SIMPSON

MRS. GEORGE WILHELM

Fischbacher-Wilhelm Rites Solemnized In St Mary's Catholic Church Oct. 29

Rt. Rev. Msgr. W. Bosen officiated at the Nuptial Mass on Monday, October 29, in St. Mary's Catholic Church, uniting Miss Anita Fischbacher, daughter of Mr. and Mrs. Albert Fischbacher Sr., and George Wilhelm, son of Mr. and Mrs. Ray Wilhelm, of Hereford.

The double ring ceremony was performed before an altar of white gladiolas. Miss Linda Weick, organist, presented traditional wedding music.

Mrs. Edward Klein, of Carlsbad, New Mexico, served her sister as matron of honor and bridesmaids were Misses Beatrice and Jane Wilhelm, sisters of the groom, and Joyce Walterscheid, niece of the bride. They wore identical dresses of gold colored velvet and slipper satin, fashioned with a velvet fitted bodice, scooped neckline, cap sleeves, and a satin bell-shaped skirt with a obi sash. Their hats were pill boxes of matching velvet with a short veil of silk illusion. They wore matching gold gloves and shoes.

Lawrence Wilhelm, of Amarillo, served his cousin as best

man. Groomsmen were Vernon and Richard Wilhelm of Happy, cousins of the groom and Joe Fischbacher, brother of the bride.

Ushers were Marcel Fischbacher, of Hereford, and Tom Wilhelm of Tulsa. Acolytes were James Weick, Kenneth Frimel, Gerald and Glen Gerber.

Given in marriage by her father, the bride wore a long formal wedding gown of silk Peau de Sole with sabrina neckline, accented with re-embroidered Alencon lace and seed pearls. The fitted bodice was fashioned with long tapered sleeves and had two self fabric roses at the waistline in the back. The boffant skirt fell into a chapel sweep.

Her veil of silk illusion fell from a crown of Alencon lace scallops, outlined with seed pearls and crystal drops. The bridal bouquet was a cascade of stephanotis centered with a white orchid.

The bride was presented a religious statue at the side altar by Miss Beatrice Weick and Francis Stocker.

Mrs. Albert Fischbacher Sr., mother of the bride wore a

gray wool knit dress with black accessories and a corsage of white carnations. The groom's mother, Mrs. R. Wilhelm, wore a wool knit dress of turquoise blue with blue and black accessories and her corsage was also white carnations.

After the ceremony a reception was held in the Parish Hall. Cecilia Wilhelm, sister of the groom presided at the guest book.

The couple left for points of interest along the coast on their wedding trip.

Mrs. Wilhelm graduated from St. Mary's Academy, Amarillo, in 1961 and Mr. Wilhelm graduated from Hereford High School in 1957. He is employed at the Alvin Schmucker Garage. The couple will reside in Hereford.

Sorority Holds Meeting At YWCA

Local women educators who are members of the Zeta Delta chapter of the Delta Kappa Gamma Society participated in initiation services for new members at the YWCA building in Amarillo Saturday evening.

The new members are Miss Valice Bryan, teacher at Stephen F. Austin Junior High in Amarillo, and Miss Louise Hamm, teacher at Tascosa High School in Amarillo.

Following the initiation ceremonies, the group had a dinner served buffet style.

Guest Speaker for the occasion was Miss Gladys Wallis, teacher at Tascosa High School in Amarillo. She spoke on "Spotlight on Committees". Miss Wallis is currently serving on the state officers committee of the Delta Kappa Gamma as the chairman of Research.

The program included spotlighting of the chairmen of committees as they explained the year's work outlined for the committees. Mrs. Emmett Smith of Canyon was in charge of this part of the program.

Officers in charge of the initiation ceremonies were Mrs. Robert L. Laney of Amarillo, president; Mrs. Emmett Smith of Canyon, first vice-president; Mrs. Monette B. Wilson of Amarillo, second vice-president; Mrs. Hiram D. Vaugter of Amarillo, recording secretary; and Mrs. W. D. Branson, ceremonials chairman.

The December meeting will feature a choral group from Canyon High School. The meeting will be held in the Fine Arts Building on the West Texas State College campus in Canyon.

News, Features For The Women

Panhellenic Entertains With Fall Tea On Sunday

The West Texas State College Panhellenic Organization entertained with its annual Fall tea on Sunday November 11, in the Fine Arts Building from two until four in the afternoon. All freshman women attending West Texas State College were issued invitations.

Miss Ruth Cross, Dean of Women, is advisor for the Panhellenic group, and college officers are: Judy Woodbridge, president; Pat Ashton, vice-president; Phyllis Bonnie, treasurer; and Roxiann Adkins, secretary.

The serving table was covered with a white lace cloth and centered with an arrangement of white mums, fashioned in the shape of a large pineapple with bunches of green grapes in cascade around it.

Assisting in serving were the Alumnae advisors who are Mrs. Joe Findley representing

Alpha Delta Pi, Mrs. Charles Harter, representing Chi Omega, and Mrs. Alfred Woods who represents Zeta Tau Alpha.

Junior members of the college group are Patsy Martin, Jan Mitchell, Alicia Abney and Terri Nelson.

Mrs. Bonds Has Jowell HD Club

The Jowell Home Demonstration Club held its regular meeting on November 7, at the home of Mrs. Eula Bonds. Included in the business meeting was a decision on the menu for the annual Thanksgiving dinner which will be held on November 17 at the Jowell Community Center.

Refreshments were served to Mrs. A. B. Pond, a visitor, and to Members Mrs. Helen Davis, Mrs. Velma Meyer, Mrs. Bertha Evans, Mrs. Rosa Robinson.

Next meeting will be on November 21, 1962, at the home of Mrs. Minnie Bible.

Classroom Teachers TSTA Hold Meeting

A joint meeting of Canyon Classroom Teachers and of the Randall County Unit of TSTA was held in the Junior High Cafeteria on November 6 at 3:45 in the afternoon.

Mrs. Joe Bush, president of the Randall County Unit, reported on the TSTA convention held recently in Austin. Mrs. Audrey Sanders reported on the NEA Convention held in Denver.

The next meeting will be in the High School auditorium on December 4 at 3:45 p.m.

The Panhellenic Organization of West Texas State College entertained on Sunday afternoon with its annual Fall tea. Pictured above are officers of the college group. Standing from left to right are Phyllis Bonnie, Canyon treasurer; Roxiann Adkins, secretary; Pat Ashton, Lockney, vice-president; and seated, Judy Woodbridge, Amarillo, president.

by Jean Harper

Around The Town

The only compensation for Canyon residents over the game last week-end was the chance to eat and shop in Dallas. Ada Crager got a jump on others who took the trip when she left on Thursday to go to Dallas to meet her college roommate for a re-union. Ted and other members of the Music Department at the college came on the

bus with the band. They were the H. R. Fultons, the Rowie Durdens, the Gerald Hemphills and Dr. Dudley Moore. Just to keep his foot in the road, Ted will go to Abilene to judge their regional contest Saturday, and to Lubbock for the same reason on Saturday.

The Manley Bryans, the Tommy Lairs, the Murphy Whites, also made the trip and report that they enjoyed consolation meals at the fabulous Port of Call and La Tunisia in Dallas.

A few of the many that made the trip were the Charles Pickenpaughs, the Don Olsons, the Bob Bellahs, and coaches wives, Frances Kerbel, Dorothy White, Carla Willingham, and Cupie Harris.

Dixie Lipscomb, who is leaving for Tennessee was given a sewing basket at a farewell coffee held Saturday morning in the home of Mrs. Bob Watchous with Mrs. Mac Winters, Mrs. Frank Blackburn and Mrs. Fred Olson as co-hostesses.

Others present to say goodbye to Dixie were Mrs. Bill Johnson, Mrs. F. M. Kinney, Mrs. Joe Cleveland, Jr., Mrs. Joe Cleveland, Sr., Mrs. Al Harris, Mrs. Joe Stribling, Mrs. Mary Joe Jones, Mrs. Bill Edwards, Mrs. James Welbourne, Mrs. Woodrow Hobbs, Mrs. Bill York, Mrs. Charles Parks, Mrs. Glenn Howard, Mrs. Bill Counsellor, Mrs. Lloyd Woodward, and Mrs. Ed Campbell.

Sally Rector's mother Mrs. Collier, arrived Wednesday afternoon for a visit to be with Steve, age 14 months, when Sally and Joe's new arrival comes later this month.

Mr. and Mrs. John Guthrie, Jr. are in Houston this week to attend the graduation exercises when daughter Helen, receives her R. N. degree from the Hermann Hospital School of Nursing. They also plan to

Mrs. Haws Has Club Meeting

The Canyon Mothers-In Law club met in the home of Mrs. E. C. Haws, Thursday afternoon, November 8. Mrs. C. W. Dunn, vice president presided at the meeting. Mrs. Mary Burtz was pianist, and Mrs. Louis Harvey was song leader. Mrs. G. B. Combs gave the devotional, and Mrs. E. C. Penick led the group in prayer.

Jan Morris, a guest of the club, gave two readings, "The Touch of the Master's Hand" and "Minnie Moves' Christmas".

Refreshments were served to fifteen members and six guests. Next meeting will be the Christmas party in the home of Mrs. Art Roberts, 1111 Fourth Avenue on Thursday, December 13 at 2:30. Each member is to bring a gift to exchange, the cost of which is not over one dollar. Co-hostesses will be Mrs. Lewis Harvey, Mrs. Mary Burtz, Mrs. W. G. Rose, and Mrs. E. E. Gidden.

Priscilla Club Meets

Mrs. D. A. Foster entertained members of the Priscilla Club on Wednesday, November 7, with a salad course and coffee.

Present were Mesdames Alfred Bellah, Jessie Parker, E. R. Clevering, I. M. Daugherty, L. L. Jones, S. B. Louder, Gladys Marshall, Ray McReynolds, C. M. Presley, Hud Prichard, Cecil Simms, T. S. Stevenson Sr., H. M. Stokes, E. D. Walker and Dudley Moore Sr.

visit their other daughter, Anne, at North Texas State at Denton, on their return trip.

With only one game left in the football schedule, we will be counting on all of you more than ever for news of interest. Don't let us down.

Loula Grace Erdman To Speak At Ceremony

Kappa Delta Pi, an honor organization in education, will hold its fall initiation in the Formal Lounge of the Student Union Building Friday, November 16, at 5 p.m.

The honor students to be initiated include Mary Elizabeth Brillhart of Canyon, Mayla Atkinson of Canyon, Norma Brooks of Amarillo, Darla Frazier of Follett, Sydney Mills of Tulsa, Judith Parsons of Canyon, Carole Poole of Amarillo, Sue Peek of Amarillo, and Lynda Redman of Canyon.

Miss Loula Grace Erdman, well-known author, will be initiated into the organization as an honorary member, and will be the speaker for the occasion.

All members, their guests, and faculty members are invited to attend.

Lewis' Honored On Fiftieth Anniversary

Mr. and Mrs. William L. Lewis will celebrate their fiftieth wedding anniversary on Sunday, with a dinner at their home, 2100 Seventh Avenue.

The Lewis were married in DeSoto, Texas, on November 17, 1912. Five children were born to the Lewis', four of whom are still living. Present to celebrate their parents' anniversary on Sunday will be George Lock Lewis of Amarillo, John Thomas Lewis of Adrian, David Clinton Lewis of Floydada and Mrs. Eva Marie Kinnamer of Canyon. Another daughter, Frances Elizabeth Lewis is deceased.

Grandchildren expected to attend are Mrs. Thomas Hardie Jr., Aubrey Lee Lewis and Sandra Kay Lewis, John Thomas Lewis Jr., Linda Lockhart Lewis and Pamela Bill Lewis. Great grandchildren are Thomas Mark Hardie and Tracy Dean Hardie.

The Lewis' moved to Canyon in March of this year from Floydada where they had lived since 1924.

Mrs. Bellah Is Hostess To Club

The Canyon Garden Club met last Thursday evening in the home of Mrs. Alfred Bellah at 1219 Fifth Avenue. Mrs. Curt Samples was co-hostess.

Mrs. Joe Frank and Mrs. Bellah presented a program on "Wintering Your Gardens, and Mrs. M. S. Downing's program was entitled "Gift Ideas From Your Garden". To illustrate, Mrs. Downing brought gifts for each person present, ranging from sachets of crushed roses to framed pictures containing pressed flowers.

Pie and coffee were served to Mr. and Mrs. K. E. Hines, Mr. and Mrs. A. K. Goodman, Mr. and Mrs. M. S. Downing, Mesdames C. R. Burrow, W. R. Crow, Dewey Foster, E. K. Snider, Mary Bonnie, E. T. Cummins, S. B. Louder, Joe Frank, Ed Weeks, C. C. Cal-

Variety Ring Members Quilt

Mrs. Leonard Winters recently entertained members of the Variety Ring at a quilting party. A business meeting was conducted, at which time a committee was selected to nominate new officers for the coming year.

The next meeting will be with Mrs. Fred Marshall on Friday, November 16, at 3 p.m.

Those present were: Mesdames Estelle Rice, P. L. Pitt, Rae Walters, Levi Cole, K. E. Hines, Mae Johnson, Earl Burtz, George Barger, Lang Hunter, Leslie Neal and J. P. Hammons.

Mrs. Charles Stratton of Bartlesville, Okla., drove here from Bartlesville the latter part of last week and took her mother-in-law, Mrs. C. H. Stratton back to Bartlesville for a visit with the Charles Stratton family. Charles is a research chemist with Phillips Petroleum Company.

larman, Maud Walters, Jeanette Robbins and Levi Cole.

Mila Hernandez, exchange student from the Philippine Islands who is spending the school year in the home of the Charles R. Nesters, was honored last week with a surprise birthday party given by the Eighteen Year Old Girls Class of the First Baptist Church.

Mila Hernandez Feted At Party

Mila Hernandez, foreign exchange student for the Philippine Islands, was honored with a surprise birthday party on November 7 at the home of Mrs. Bill Knighton.

The table was spread with a white linen cut-work cloth, and centered with a cake fashioned in the shape of an ante bellum belle whose full skirt of spun sugar was trimmed in lavender and white. Gold candles in golden candelabra with crystal appointments completed the table setting.

The honoree was presente

a white carnation corsage as well as a sweater and charm bracelet.

Hostesses for the party were the Eighteen Year Old Girls Sunday School Class of the First Baptist Church who are, Gloria Buchanan, Judy Wilson, Frances Kiker, Iris Hales, Elaine Louder, Marva McBroom, Frances Williams, Judy Bourland and Mrs. Knighton. Mrs. Bill Wilson also assisted.

About thirty girls from the Senior Class were present at the celebration.

FHA Feature Fashions In Meeting At High School

The Future Homemakers of America of Canyon High School held a regular monthly meeting Thursday night in the high school auditorium.

Junior and senior officers were in charge of the meeting. They were introduced by Iris Hales, president.

The meeting opened with a devotional on friendship given by Carol Brown. Larry Roberts guest speaker for the evening, was introduced by Sidney Oldham, vice-president. Mr. Roberts spoke on "You and Your Values." He stressed the importance of setting goals early in life, and working toward them to obtain a highly successful life.

A program was given by second and third year homemaking clothing students who modeled garments made in class. Models were: Sharon Cawthorn, Nancy Downing, Sharon Ely, Ann Fisher, Georgia Ann Hallaway, Rosemary Innes, Elaine Linder, Joan Malone, Sidney Oldham, Judy Rhodes, Sally Tippet, Linda Tuck, and Judy Bea Wilson, all third year students.

Second year students modeling were: Carol Anderson, Luida Barwell, Judy Brazil, Kaydean Barnard, Peggy Cranner, Charlotte Clark, Sandra Davis,

Lorna Dunnigan, Jannie Fisher, Rita Freeman, Susan Gillham, Mary Hawthorn.

Sue Kiser, Kay Kuyendal, Patricia LeGrand, Linda Lowes, Linda Martinez, Jean Ann Oglesby, Gloria Pearson, Deandra Shaply, Jo Troth, and Lucy Tuck.

Pam Caldren was commentator for the fashion show. She wore a red wool, fur-trimmed suit that she had made as a home project.

The next meeting will be a Christmas program December 13, with Senior Citizens of Canyon as guests of the FHA.

Sue Hite Club Hear Program On Old Towns

The Sue Hite Club met on Monday, November 12, with the invocation delivered by Mrs. Hud Prichard. Roll call was answered as each member told why they lived in the Panhandle.

A program entitled "Early High Texas Towns" was given by Mrs. Otis Parker and Mrs. R. R. Riggsby. Mrs. Parker related histories of ghost towns such as Mobeetie, an old army town, Tascosa, a cattle town, and Clarendon, the church town. Mrs. Riggsby spoke on early Panhandle Post Offices.

At the business meeting, Mrs. O. L. Culbertson, Education chairman, announced that the current week is National Education week, and stressed its importance. Mrs. Newton Starnes was elected to membership in the club.

Hostess for the meeting were Mrs. J. E. Flynn and A. L. Walsh.

Members present were: Mesdames Hatcher Brown, Sidney Burgess, Levi Cole, Clay Cooper, T. V. Crounse, O. L. Culbertson, J. E. Flynn, D. M. Foster, A. K. Goodman, W. F. Haggard, Crews Henry, Virgil Henson, Oscar Hinger, Robert Jarrett, Craig Johnson, Gene McGlasson, W. E. Miller, Parker, E. E. Perkins, R. F. Phillips, A. H. Prichard, Rex Reeves, Riggsby, A. L. Walsh, R. D. Wheelock, Joe Whittington, Wm. R. Wilson and Battle Harris.

Jacee-Ettes Meet

The Canyon Jacee-Ettes held a business meeting on Monday November 12, in the home of Mrs. Richard Ellis, 2003 Second Avenue, for the purpose of discussing the Nativity Scene which the Jacee-Ettes sponsor.

Present for the meeting were Mrs. Odell LaGrone, Mrs. Richard Pruitt, Mrs. Charles Marshall, Carroll Pool, Mrs. O'Neal Call and Mrs. Nick Dodson.

By MRS. J. W. WESLEY

We have had pretty, warm and dry weather the past week with only light frost which was just what was needed for the late maize and cotton.

Mr. and Mrs. E. W. Schaeffer and Mr. and Mrs. J. W. Wesley held the election at our precinct lines.

Mr. and Mrs. Melvin Schaeffer visited Thursday morning with Mr. and Mrs. J. W. Wesley.

Bobby Boyd visited Saturday morning in the Woodrow Wesley home.

Mr. and Mrs. Schaeffer went to Tulla Friday to visit with Mr. Schaeffer's brother, Dr. L. E. Schaeffer, who was confined to the hospital there.

Mr. and Mrs. Melvin Schaeffer and Mr. and Mrs. Joe Wise left for Dallas Sunday morning. Schaeffer and Wise were delegates to the state meeting of the farm bureau.

The Schaeffer children stayed with the Bill Allens in Happy while their parents attended the Dallas meeting.

Reverend John Sullivan delivered an excellent sermon for us Sunday. The family visited with Mr. and Mrs. J. W. Wesley after services. We will have Tommy Phelps speak to us next Sunday.

Wrestling fans will remember him from the sports arena in Amarillo. Tommy was recently converted and wants to witness for the Lord. We hope

to have a large crowd hear him Sunday next at 11 o'clock. John Patterson was unable to attend church Sunday. We missed Mrs. Leo Carlton as she was ill.

Almost everyone from our community attended the funeral of Uncle Willis at Wayside last Monday afternoon. We can't remember a time when we didn't know Uncle Willis. He will be missed by his many friends at Fairview and Wayside.

Mr. and Mrs. G. E. Wesley visited Sunday with their daughter and son-in-law Mr. and Mrs. Hollis Shipman of Happy.

Mrs. J. W. Wesley and Mrs. Charles Sutton visited with Ora Evans Friday afternoon.

Mr. and Mrs. Jack Sutton left Friday morning for Kansas where she will visit her mother and other relatives while Jack goes pheasant hunting.

The T and T Club met Friday afternoon with Annie Read in Happy. A number of things were discussed and plans were made for the Thanksgiving supper to be held Saturday night of the 17th at the church.

The menu was prepared previous to the meeting by Madge Sutton, Ora Evans and Annie Read. It was read to the meeting and approved. Members of the club were assigned covered dishes to bring to the supper.

Refreshments at the T and T meeting were served by the hostess Annie Read.

Members present were Morine Allison, Madge Sutton and Lizzy Wesley.

A drawing was held for a prize with Madge Sutton winning. Next meeting of the T and T Club will be held weekend from last Friday.

Chicago Woman Stricken Here

Funeral arrangements for Mrs. Marie Joan Richardson, 45, of Chicago, Illinois, are pending with a Gilbert, Minnesota funeral home.

Mrs. Richardson died Monday morning at Neblett Hospital after becoming ill while staying at the Canyon Motel. She was traveling from Chicago to Tucson, Arizona, with a daughter when she became ill.

She was born February 22, 1917, in Gilbert.

Survivors include her husband, Roman Richardson of Tucson, Arizona; a daughter, Barbara Ann Newman; and a son, Terrance Newman.

Arrangements here were by the LaGrone Funeral Home.

News Notes From The

RANDALL COUNTY FARM BUREAU

The following delegates are attending the State Farm Bureau Convention in San Antonio this week: R. B. Gist, Jr., Melvin Schaeffer, Joe Wise, E. E. Sharp, and W. T. Reynolds.

There will be a report on this Convention at the next Board Meeting on Thursday night, December 6th. It is believed it would be of interest to Farm Bureau members to attend this meeting and receive a first hand report on the business transacted at the State Convention.

As you know your Randall County Farm Bureau is behind the move to have Randall County join the fight against brucellosis. At recent meetings the county board voted to help with the petition to bring the program here. The petition forms have been located at various places in the county including Randall County Farm Bureau Office.

The signatures on these petitions have not been forthcoming in the amount needed to get the program into the County. Petitions must be signed by 75% of all cattle owners on the County Roll which would also represent 51% of cattle on the current county tax roll. There are approximately 32,654

head of cattle registered on the county tax roll, and approximately 418 owners. This means that approximately 312 cattle owners must sign the petition in order that the Brucellosis Program be brought into Randall County.

Letters are being mailed by Randall County Farm Bureau this week to cattle owners. A self-addressed stamped envelope is enclosed in order to facilitate the return of the individual petition. It is requested that these petitions be signed as quickly as possible and mailed back.

Today 80% of all counties in the United States are free of bangs disease. Randall and Potter counties are the only ones in the immediate area which have not had the program on a county basis. The movement of cattle has been hindered and extra expense incurred on individual owners of cattle in Randall County due in part to the lack of the Brucellosis Program.

Reaugh Paintings At Museum

The Panhandle Plains Museum has recently received 141 original paintings from the Frank Reaugh estate in Dallas, according to Boone McClure, museum director.

The paintings are miniature pastels about 3X6, and are mounted in frames which will make the size of the entire picture about 8X10. They will be sold to the public in about two or three weeks, and will be priced from \$35 down. The money will be put into the museum building fund.

The museum received 490 similar paintings in 1960 which are on display there now.

Frank Reaugh was one of Texas' greatest artists. He studied in the East and in Europe and taught art classes in Dallas for several years. Mr. Reaugh brought several classes to Palo Duro Canyon before 1900 to paint landscapes, and continued to do so until a few years before his death in 1951.

J. Everett Haley has written a book about him, Frank Reaugh, Man and Artist, which shows some of the paintings in color which were donated to the museum in 1960.

The Prichard boys at 1207 Fifth gave their Halloween callers a real start last week with a talking jack 'o lantern. The boys are from left Frank, Larry and Ben, sons of Mr. and

Mrs. Harold Prichard. Larry hid a small intercom unit in the feed shock on the Prichard front porch to get the sound effects.

by Ann Prichard

Cub Scouting

Pack 131 met Nov. 8 for their introductory pack meeting.

Louis Machuca, scout executive from Hereford, introduced J. Mack White, as the new cubmaster. Rev. Newton Starnes, gave a welcome to the boys and parents. A good attendance was reported.

Den 1 worked on their Bobcat requirements and went through a Physical Fitness program.

Den 2 will be learning all about Indians this month and got off to a good start making tom-toms.

Den 3 visited the museum this past week. As a special treat to the boys Mr. Byron Brown, Robert Hendrickson and Forrest Bullard, took the den to Palo Duro Canyon for lunch and hiking Saturday.

Den 4 welcomed Jeffery Brown into the den as a new member. The boys heard a story about the beginning of scouts in America.

Den 5 has changed their meeting day to Monday. The boys

worked on Bobcat requirements.

Den 7 reported a good time learning cub scout songs. This den could easily be named Johnson-Williams, as there are 2 Johnson's and 3 Williams' in its 7 members.

Pack 97

Den 1 visited the museum as part of the Buckskin Pioneer theme. Cakes were served by Barbara Wirt. Denner is Ronnie Hager and asst. is Vince Wirt.

Den 2 started work on Christmas gifts. The gifts will be given to parents at the Dec. 13th pack meeting. Gilbert (Biddy) Ray, is the new boy in this den.

Den 5 finished up a early day mural they were doing. They are making model stagecoach and covered wagons. Lincoln logs are being used to create an early day pioneer village. Denner of this den is Gene V. Morrison and asst. Randy Lyles.

Den 4 discussed plans for

Used Glasses Being Sought

Canyon Lions Club, through their Sight Conservation Program, is collecting all old and used eye glasses to be redistributed to the needy that can use them.

People who have eye glasses that are no longer being used, may take them to one of two collection points, the principle's office at the high school or at city hall in city manager Bill York's office.

a good will tour to Boys Ranch. The boys will make gifts for the ranch and present them at a later date.

Pack 31
Den 3-A large 3X5 flag kit was given to this den by John Upshaw's parents and the boys worked putting it up. The boys learned about flags of different nations and the flag etiquette of America.

Den 2-had a party in honor of 4 of the boys who are leaving this den and going into Webelos.

Den 7 introduced Nov.'s theme and the boys also had a physical fitness program outdoors.

Canyon Trims Floydada 20 To 6

Eagles To Represent Dist. 2AA

Canyon's Eagles clobbered Floydada 20 to 6 here Friday night and clinched the right to represent the district in the bi-district play off.

As the Eagles were slowing the Floydada Whirlwinds to a mild breeze, Abernathy was losing to Tulla 26 to 22. This makes two losses for the Antelopes and they are the only team between Canyon and the district crown.

Even if Abernathy should win next Friday (Perish the thought!), Canyon still would represent the district. Inter-scholastic league ruling states that if two teams are tied for the district championship, as Floydada and Canyon could be, then the winner of the game between the co-champions would represent.

Since only Floydada can possibly tie the Eagles (all other district teams having lost two games) then Canyon would carry the District 2-AA colors into the state play offs. Canyon to date has a record of 3 wins and no losses in district play.

Bobby Evans, Eagle halfback, kicked off to the Whirlwinds to start the action.

Tommy Watts, Floydada half-

back, returned the ball 6 yards before Evans brought him down. Watts carried again for 2 yards being stopped by Jim Whinnery, Eagle halfback. It was no gain for Watts on the next play when Ronny Brock, Eagle guard, and Eddie Poole, Eagle end, made the stop.

Allan Adams, halfback, picked up 6 yards before Brock and Whinnery pulled him down. The Whirlwinds punted, and the Eagles took over.

Davis Price, halfback, made 5 yards for the Eagles. Harry Lisle, halfback, picked up 6 more yards for a first which put the Eagles on the 3 yard line.

Lisle took the ball again and dove over for a touchdown. The extra point was no good and the score was 6 to 0.

Floydada took the ball on the kick, and Darryl Lindsey, halfback, returned the ball 4 yards being tackled by John Stritzel, Eagle center.

Tim White, tackle, Poole and Robert Hutton, tackle, were through the Whirlwind line to incite a fumble, and there was no gain for the Whirlwinds.

The Eagles held Floydada, and they were forced to punt.

Don Breitling, quarterback, picked up 7 yards on the optional. Jeryl Vance, fullback, made 7 yards for Canyon. Breitling came back with a 5 yard gain.

Lisle broke loose on a reverse good for 20 yards.

Vance and Breitling each made 6 yards for the Eagles. Lisle came back with 5 yards. Price picked up 8 yards off the left side, and Vance drove for 13 yards then 8 yards.

The Eagles drove to the Whirlwind 2 yard line, and Price

went over for the score. Price passed to Phillips complete for 2 points, and the score was 14 to 0.

The Eagles kicked to Floydada, and Evans was there to make the stop after a 12 yard return.

Poole and White were through the line to throw Vernie Moore, quarterback, for a loss of 9 yards.

The Winds were forced to punt again, and Canyon took over. The Eagles didn't move the ball and fumbled, and they

were forced to punt for the first time in the game.

Floydada took possession again, and Jimmy Stewart made 5 yards before Kerbel, center, made the stop. Watts was stopped by White after a gain of 2. King carried for 10 yards before Whinnery brought him down.

Moore went 10 yards before Lisle came up to push him out of bounds.

White was in the backfield to throw Moore for a 4 yard loss. Moore carried again for 1 yard being stopped by White.

The Eagles took over on downs. Breitling swept 25 yards for the Eagles. Vance made 5.

The Eagles fumbled, and Floydada took over. Moore made 20 yards before Whinnery brought him down.

Brock and Poole held the Winds for two plays with no gain. The Whirlwinds moved the ball to the 8 yard line, and Moore hit King with a pass for 6 points. The extra point was no good and the score was 14 to 6.

The Eagles moved the ball, but failed to score in the 4 plays left in that half. The Whirlwinds kicked to the Eagles to start the second half of the game.

Price and Lisle made 3 yards each. Then Vance made 8. Price came back with 2 then Vance for 2. Lisle made 4 yards, but the Winds took the ball on downs. Lisle made the stop on the first play then Prichard and Whinnery made the tackle. Brock made a hard tackle, and the Whirlwinds had to punt.

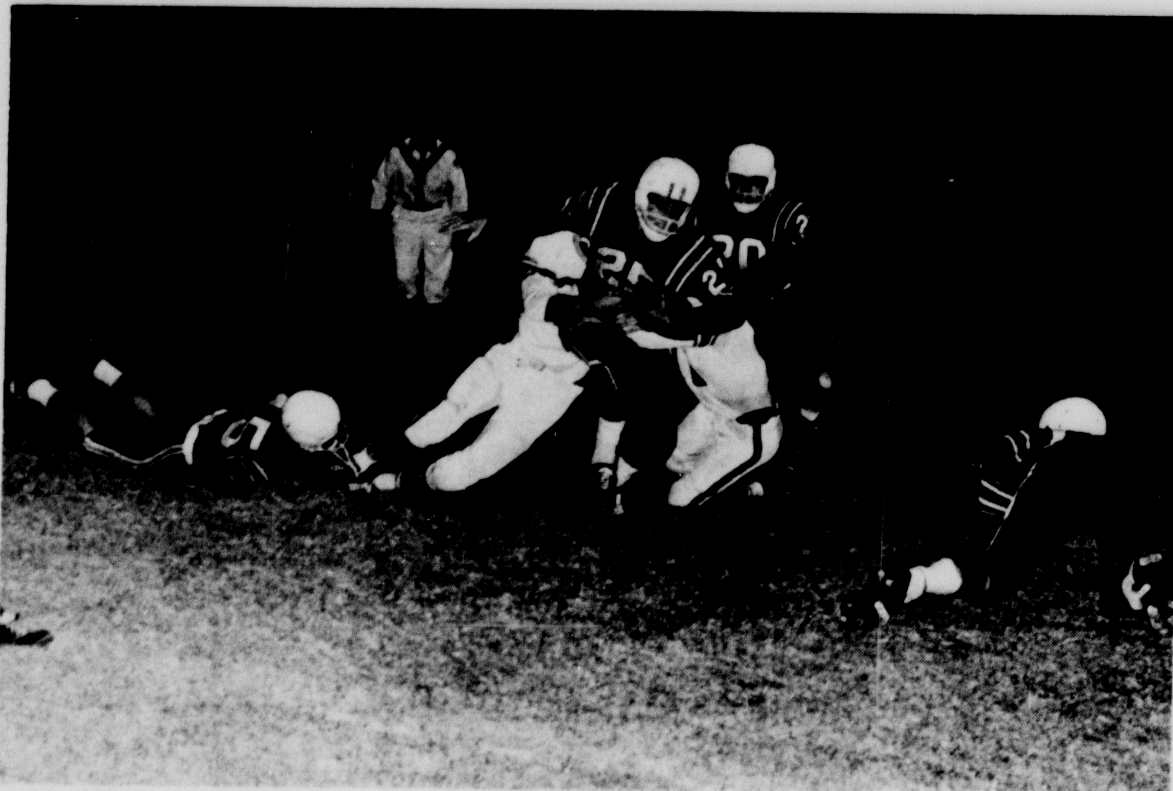

Price made 5 yards, and Lisle made 8 for the Eagles. Poole made 8 yards on a pass from Breitling. Lisle made 5 then. The Eagles made a first and started over. Vance drove hard for 12 yards. Breitling made 3 then Vance came back for 6 yards. Lisle broke loose for 20 yards. The Winds got down to business and held the Eagles, and they took over on downs. Brock stopped the first play, and came back to get the tackle on the next 2 plays, and Floydada was forced to punt.

Vance made 13 yards then 5 yards. Breitling made 3 then Vance came back for 6 yards. Lisle broke loose for 20 yards. The Winds got down to busi-

ness and held the Eagles, and they took over on downs. Floydada passed twice successfully then got off a quick-kick.

Breitling found running room good for a 10 yard gain. Vance got 3 yards. Breitling pitched to Price good for 17 yards from the line of scrimmage. Brock threw a key block and gave Vance running room for 18 yards.

Breitling made 3 then Phillips made 2 then enough for a first. The Eagles moved the ball down to 6 inches from scoring, and they had 4 downs to do it in. On the third down Price dived over for the touchdown. The extra point was no good and the score was 20 to 6 with 5 seconds left in the game. The Eagles kicked, and the game was over.

Don Breitling carries in the Eagle game against Floydada. Giving his support is Davis Price (20) and on the ground at left is Gerald Vance.

by Troy Martin

Along The Sideline

BY RAY FRANKS
(GUEST COLUMNIST)

Seven professional football scouts converged on Fouts Field in Denton Saturday night for the Buff-Eagle game. There was one from the American Football League--Dallas Texans--and the others represented the National loop. Included were the Dallas Cowboys, Los Angeles Rams, San Francisco Forty-Niners, Pittsburgh Steelers, Washington Redskins, and Minnesota Vikings.

They were there to scout both teams, and high on the buffalo prospect list were Jerry Logan, halfback, and Bob Petrich, tackle.

Approximately 1000 Canyon and area football fans made the week-end trip to Denton, and many took advantage of a big football week-end. Several were seen at the Cotton Bowl Saturday afternoon when Texas A & M and SMU tangled, and others stayed over for the Sunday afternoon clash between the Dallas Cowboys and New York Giants, also played in the Cotton Bowl.

Many friends of West Texas State now living in the Denton area were on hand. One of them was Bill Davis, former head football coach of the Canyon Eagles and now heading up the forces at Gainesville High School.

Jerry Logan, the nation's leading major college scorer with 95 points, is a product of Graham High School, just a short driving distance from Denton. In honor of his outstanding accomplishments, the entire Graham varsity football team attended the game, and waited outside the dressing room to visit with him afterwards.

When the West Texas State bus arrived at Fouts Field for a team workout Friday afternoon, Bobby Bellah of Canyon was there to greet the squad. It must have been a game of mixed emotions for Bobby, who is a freshman at North Texas. He's the son of Canyon's Mr. and Mrs. Bob Bellah, who were among area fans to make the trip to Denton.

The West Texas State band and victory bell were in Denton, and were instrumental in giving the Buffs a cheering section almost equal to that of the host team. Directed by Dr. Ted Crager, the Buffalo band staged a smart half-time show that caused a lot of comment among Denton fans.

It was the annual band-football trip. Travelling on chartered buses, the musicians left Canyon Friday and spent the night in Dallas. They boarded their buses immediately after the game, and made the all-

night return trip home

On the return trip Sunday, athletic director Frank Kimbrough and Mrs. Kimbrough stopped in Clarendon for dinner. They ate at a quaint, family-style dining house called "Mrs. Bromley's", and discovered it was operated by the mother of Pete Bromley, former Buffalo footballer who played under Kimbrough in the late 1940's.

Incidentally, Frank Jr., a third-year dental school student in Houston, spent the week-end in Denton visiting his family and watching the Buffs.

Penalties, Fumbles Costly

Bufs Bow To Eagles

It looked like Christmas and Armistice Day all rolled into one Saturday night at Denton.

A combination of West Texas State gifts and costly flag-throwing on the part of the officials gave North Texas State an upset 20-13 win over the Buffaloes.

Bufs' Jerry Richardson (10) battles for yardage in the second period. He is shown here being tackled by A. D. Whitfield (42). Photo by Jim Payne of the Denton Record-Chronicle.

It was the second loss in nine starts for Coach Joe Kerbel's aggregation and the win pushed the Eagles' season mark to 5-3. A crowd of 7,500, including about 1000 Buff fans, watched the ragged but exciting game.

North Texas, outweighing the Bufs 30 pounds per man on the line, won the game with 1:43 remaining on a touchdown that broke a 13-13 tie. Fullback Dwain Bean punched in from the four to climax a 59-yard drive, the only legitimate scoring march of the Eagles.

The other Eagle scores were out-and out gifts, putting the Bufs in a big hole just before the half. Halfback Jerry Richardson dropped a fair-catch punt and North Texas grabbed the ball on the Buff 27. In four plays, the Eagles scored the first points of the game. Only 2:04 remained in the half.

On the ensuing kickoff, Pete Pedro and Jerry King got confused on who was going to catch the ball. Pedro fumbled the ball on the one, and tried to pick it up. In the scramble, the ball was knocked into the end zone, and A. D. Whitfield of the home team grabbed it for a Santa Claus touchdown. In seven seconds, North Texas had two touchdowns and a 13-0 lead.

After the half-time, the Herd came back strong and knotted the score with third quarter and early fourth period touchdowns. But North Texas got the last chance and it was too late for the Canyon club to fight back and pull it out of the fire.

In all, West Texas lost the ball four times on fumbles and had two passes intercepted, and all the mistakes were costly. In addition, the officials enjoyed an active night of "drop the handkerchief". The Bufs were stuck 88 yards on nine infractions, many of them coming on the West Texas end of the field at crucial times. The Eagles wound up with 48 yards in penalties.

Except for the last North Texas touchdown drive, West Texas actually dominated the game as the final statistics will bear out. The Herd led in first downs, 15-13, total yards gained, 320 to 210, and completed eight of 15 passes for 108 yards while the Eagles tossed two without any success.

Pedro and Logan, the Bufs' much-publicized halfback duo, accounted for the West Texas scores in a last half surge that nearly netted a tie. But it was Russell Mundy, 205-pound sophomore fullback, who had a big hand in setting up the first touchdown and getting the Bufs on the move.

North Texas State's 250-pound tackle, Bobby Price, tried a 30-yard field goal early in the third quarter, but end Jim Ostrander of the Bufs blocked it. Mundy picked up the ball on the 20 and rammed on the North Texas 33. In six plays, Logan punched in from the one, and promptly converted the extra point. It was 13-7, North Texas, with 6:29 left in the quarter.

The Bufs held, forcing the Eagles to punt, and they were off and running on an 87-yard score-tying drive. A 20-yard burst by Mundy on a wide sweep took it to the North Texas four, and Pedro scooted in for the score on another wide play.

Logan's try for extra point was wide and the score was 13-13 with 13:32 left in the contest. The Eagles ate up most of the clock with their winning touchdown, and when West Texas got the ball with 1:43 left, it could not move. Ollie Ross made two on a sweep, and Jim Dawson, trying to throw the bomb, was smothered and lost the ball on another fumble. North Texas ran out the clock on quarterback sneaks.

It was mostly a night of frustration for the Bufs, but they had their good moments too. Pedro, flashing his old running form for the first time since pulling a leg muscle against Arlington State, was easily the top runner. He netted 92 yards on 15 carries, including a 62-yard scamper just before the half.

Dawson's passing was top-notch, hitting eight of 14. He completed a big one on third down in the second touchdown drive, a 28-yard to Woody Gilliland down the sideline.

Gunning for an 8-2 mark and the finest season record since 1956, the Bufs close out against Hardin-Simmons Saturday at Abilene. It will be a 2:30 p.m. game and Homecoming for the Cowboys.

Eagles Finish District Against Abernathy

Friday night the Eagles play Abernathy which is their last district game.

However, the Eagles will represent district regardless of the outcome of this game because all district teams except Floydada and Canyon have lost two district games, and even if Abernathy were to beat the Eagles, the Eagles would still represent district because they have previously beaten Floydada.

Eagle head coach, Jeep Webb, said that Abernathy has a good team that is about the same size of the Eagles, and they have very good speed and running ability in that Tom Ritchey, Abernathy back, runs the hundred in 10.1 and has been called the best back in the district by the Tulia coach.

Webb went on to say that our fastest back, Harry Lisle, runs the hundred in about 10.4 usually, but his record is 10.2.

The Eagle coach said that Abernathy has a good passing attack, and they seem to think they are going to beat us, according to their coach.

"The Eagle line-up will be the same as last week's, and there are no injuries," said Webb.

Freshmen Bow Before Tulia Team

The Eagle freshman team played Tulia there Thursday losing to them by a score of 14 to 20.

Allan Simpson, freshman coach, said the team has played better, but they played fair.

Simpson went on to say that Tom Lair and Gary Winters did the scoring for Canyon, and Larry Robinson was the outstanding lineman, Dennis Haley was outstanding on offense rushing 175 yards for the Eagles.

Eighth Grade Downs Dumas

The Canyon Eagle eighth grade football team defeated Dumas there Thursday by a score of 20 to 12.

Eighth grade coach, Bert Glascock, said that the Demons had the Eagles 12 to 0 in the first 3 minutes of the game, but Jack Stevens scored, and then, both on intercepted passes, Joe Morris and Ronnie Dier scored for the Eagles making the score 20 to 12.

Glascock went on to say that the outstanding defensive players were Stanley Hicks, Tommy Brewer, and Don Howard.

Coach Glascock said that the boys are very proud of their football record; this team hasn't lost a game in either the seventh or eighth grade. This year's record is as follows: Canyon 14, Hereford 0; Canyon 14, Stephen F. Austin of Borger 6; Canyon 8, Hereford 2; Canyon 12, Sam Houston of Borger 6; Canyon 20, Dumas 12. Glascock added that the leader in scoring was Jack Stevens.

High School Tourney Set At WT

A boys' and girls' invitational high school basketball tournament has been scheduled Nov. 30-Dec. 1 at West Texas State College, with four teams in each division seeking tourney honors.

The tournament is sponsored by Phi Epsilon Kappa, national physical education fraternity at WT, and teams entered are Hereford, Price College, Canyon and Perryton in the men's division, and Tullia, Friona, Claude, and Dimmitt in women's competition.

Action starts Friday at 4 p.m., with Hereford and Price in first round play, Canyon and Perryton at 8 p.m.; Tullia and Friona at 5:15 p.m. and Claude and Dimmitt at 9:15 p.m.

Consolation play will be at 4 p.m. and 5:15 p.m. Dec. 1, and championship play at 8 p.m. and 9:15 p.m.

Admission to each session will be \$1 for adults and 50 cents for students and children.

Boxers Win Five Bouts In Pampa Tourney

Pampa Optimist Boy's Club won nine of fourteen fights from the Canyon Jaycee's Boxing Club Saturday night in Pampa.

The results were: 55 lb. division--Mike Thomas of Pampa won a decision over Brad Hollingsworth of Canyon; 60 lb. Mike Robbins of Lefors won a decision over Mike Clement of Canyon, and Johnny Cameron of Canyon won a decision over Vince Straister of Pampa; 100 lb.--Albert Brown of Pampa won a decision over Robert Cameron of Canyon; 105 lb. Avery Thrasher of Canyon decided Phillip Long of Pampa, and Marshall Mobley of Pampa won a decision over Jerry Cridle of Canyon.

118 lb.--Andy Valesquez of Pampa decided Eddie Garcia, Jr. of Canyon; 135 lb.--

THE STATE OF TEXAS
To any Sheriff or any Constable within the State of Texas-GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Randall County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO ROBERT LEE GIBSON, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District Court of Randall County at the Court-house thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 23 day of October A.D. 1962, to Plaintiff's Petition filed in said court, on the 7 day of September A.D. 1962, in this cause, numbered 5746 on the docket of said court and styled MARGARET GIBSON, Plaintiff, vs. ROBERT LEE GIBSON, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: divorce and custody, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Randall County, Texas, this 23 day of October A.D. 1962.

Attest: Mavis Hill, Clerk,
47th Judicial District Court
Randall County, Texas
By Sherry McDowell, Deputy

Community Concert Opens With Ballet

Youth, color and perfection were all rolled into one Saturday night when the Carlos de la Camara Ballet Espanol came to Canyon High School auditorium.

Some 450 persons were on hand for this first program of the Canyon Community Concert Association this season. Many of the group were youngsters, including aspiring, would-be ballerinas.

The dancing company of four--Carlos, his sister, her husband, and their pianist--were in Texas for the first time.

"The weather here," Myrna Gloria beamed, "is so wonderful. We love it. And your place here (the auditorium) is so beautiful. The stage was a bit slick, perhaps, but we scrubbed it down, you know."

Carlos, continuing to comment in his excellent, if slurred

red in a Spanish accent, English, boasted,

"You were wonderful to us. I loved to dance for you. This is the reason I chose concert tours over night club entertainment. In night clubs, you cannot put your heart into your art. Maybe some would notice, but most are there to make happy. In concert, the people come because they love the art. Then I can give everything I have."

Carlos, 20-year-old creator, costumer, choreographer, set designer and star of the troupe, displayed the energy and drive of his youth, but the perfection of a veteran. He was dancing in spite of an ankle injury he sustained on his right leg recently. Because, he explained, "I have to."

His 21-year-old sister, as his dancing partner seemed less

complete in movement, but nonetheless vigorous and responsive to his leadership. She confirmed backstage after the performance what was suspected during the program: that her marriage to Manuel Molina comes before her career.

Molina is the singer-guitarist of the company, and captured the limelight in his own rights Saturday night. Unlike the two dancers, however, he does not speak English.

The pianist, Raymond Sachse, was the eldest and most retiring of the four, but lent an essential element to the evening's presentation.

The three youths revealed in conversation their naive and immaturity, but tremendous morality and ambition. Myrna Gloria brought smiles to listeners as she explained,

"Sometimes we do the flamenco with great passion and love-making, but tonight when I see all the little girls down front, I try to use less passion so they won't get the wrong idea, you know."

Carlos, Myrna and Manuel signed autographs in their dressing room with such enthusiasm as if they had not just given their all to a two-hour performance.

They came to Canyon from Roswell, N.M., and were traveling to Tulsa, Okla., to perform Monday morning. They are traveling via station wagon, with all costumes and props at their side. On tour, they do not even have maid help.

However, Carlos admits to making a great deal of money in the business. His costumes cost \$450 and over, and are more expensive than his sister's. His outfits also depreciate faster than Myrna's, they admit.

Carlos says he will become interested in marriage later, perhaps when he is about 25. His sister, tongue in cheek, slurs, "He is married to the stage."

Hill Speaks To Kiwanis

Leon Hill of Amarillo, nationally known after-dinner speaker, was guest speaker at the Kiwanis Club meeting last Wednesday.

Hill, who is a former Baptist preacher, spoke on the responsibility of American citizens in using their right to vote. He said that people ought to wake up and inform themselves on the candidates and issues of an election so they can make a better choice when they go to the polls.

During the business meeting, a secret ballot was taken to elect the Kiwanian of the Year for 1962. Each year an outstanding member of the Canyon club is selected, and is honored with a plaque. The results of the election will not be made known until the installation banquet which will be held December 14.

Petty Thefts Are Reported

Two petty thefts were reported to the Randall County Sheriff's Department during the past week.

Owen Houston reported the theft Friday night of a transistor radio from his automobile. L. H. "Spec" Benham reported the theft of a tire from his pickup truck the same night. The pickup was parked near the Benham home at 2600 Thirteenth.

David Tucek Ends Course

Fort Gordon, Ga., (AHTNC)--Army Pvt. David L. Tucek, son of Mr. and Mrs. Raymond R. Tucek, Route 2, Canyon, Tex., completed the eight-week radio relay and carrier operation course at The Southeastern Signal School, Fort Gordon, Ga., Nov. 2.

Tucek entered the Army in June 1962 and completed basic training at Fort Leonard Wood, Mo. The 19-year-old soldier attended Canyon High School.

TCU Students Visit Ranch

A Texas Christian University ranch group visited the Walter Graham Hereford ranch near here Tuesday.

There were 27 persons in the party. John Merrill headed the group.

The party arrived at the ranch Tuesday morning and spent the day. They have been visiting various Texas ranches for a firsthand look at ranching practices.

One of the boys is from Old Mexico.

Graham Ranch is a pure blood Hereford ranch and runs registered stock.

Now it has been announced that Dr. Winebrenner has been appointed editor of Education through Art, journal of the International Society for Education through Art, succeeding Ap Boerma of The Netherlands. The announcement was made by Dr. C. D. Galtzell, president, who is director of Art for Ontario, Canada. The magazine is published in three languages, English, French, and German.

"In accepting the position as editor of Education through Art, Professor Winebrenner reiterated his belief that the arts can be more effective than any other instrument in developing the sensitive appreciations for each other that must exist between individuals of differing nationalities, races and creeds if we are ever to achieve an understanding, cooperative world in which our joint ingenuities, energies, and resources can be directed toward the common good of all mankind."

Dr. John W. Cataldo, State College, Pennsylvania, a member of the Art Education Department, Pennsylvania State University will succeed Dr. Winebrenner as editor of School Arts Magazine.

CHS Pep Rally

#1 During the Thursday night pep rally in front of Coach Jeep Webb's home, the victory bell was rung by Andy Lair and Jean Robinson with the help of Tip Webb, Coach Webb's son.

#2 The Old School Spirit, Danny O'Donald, was put into a coffin and carried off in a program presented by the cheerleaders. Two of the cheerleaders here are Carol Brown and Janis Miller.

#3 A kicking contest was held in the school spirit assembly Friday. Here we see Red Parker kick at the invisible football as Harry Lisle, student body president, looks on.

#4 Jill Jarnagin is being crowned Miss Purple and White by Jim Whinnery.

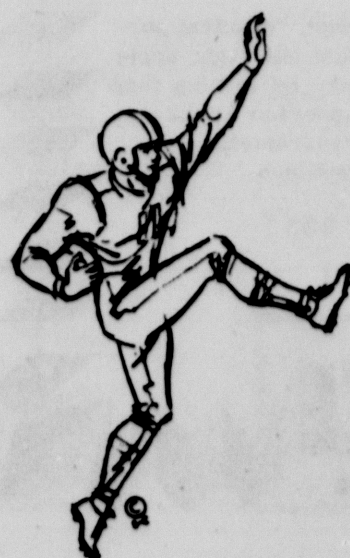

#5 Harry Lisle is being crowned Mr. Purple and White by Gloria Buchanan, senior cheerleader.

#6 Piloting The Eagle's Nest at the ball game Friday night were from left Kathy Robins, Steve Burgess, John Brandon and Barbara Mott.

#7 The New School Spirit, Calvin Robinson, was wheeled into the assembly Friday by the Old School Spirit, Danny O'Donald.

#8 Sally Nester receives first place prize in the car decoration contest Friday. Jim Whinnery presents her with the joke prize as Gloria Buchanan, senior cheerleader, looks on.

Letter To The Editor

Dear Editor:

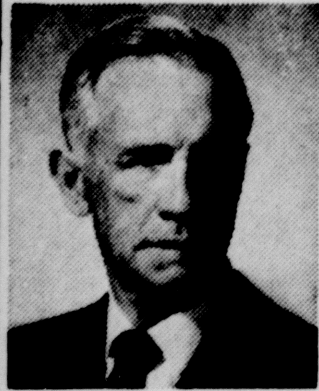

May I, on behalf of each member of the West Texas State College Band, thank you for the very wonderful publicity that you have given our organization during the past few weeks. The West Texas State College Band has members which are representative of most departments within West Texas State College. These various individuals have combined themselves into a hard-working team, striving to represent their school through music and precision marching.

The students of the West Texas State College Band work hard and through the outstanding leadership of their director, strive to represent their school in the best way possible; therefore, we thank you and the citizens of Canyon for your tremendous support.

Very truly yours,
Mike R. Barry,
President
West Texas State College Band

NEWSPAPERS MAKE
A BIG DIFFERENCE
IN PEOPLE'S LIVES

thank you

I will strive, as in the past, to merit the confidence your vote expressed.

**We Apologize For Our Lack Of Accomodations.
We Wish You Had Not Had To Wait So Long.**

St. Mary's Parish

Rt. Rev. W.F. Bosen

by Troy Martin

FROM THE CANYON RIM

Tommy Thompson is at it again. He doesn't like the way the election came out in Randall County.

In a column last week Tommy took after Judge Wayland Angel. He attempted to make the people of South Amarillo appear foolish for having voted for Angel.

Neither Thompson nor any of his reporters who have covered Canyon (past or present) have ever been able to point to concrete evidence of Angel having been negligent in his office. As a matter of fact, Angel has been one of the county's most diligent elected employees.

Call his office any time during working hours and either he will be available or his secretary can tell you where he may be reached.

We hope we do not have to put up with Thompson attacks on Angel for the next four years.

Thompson may not like what Randall County voters did but now it's up to him to live with it for the next four years. We give the voters of Randall County credit for being almost as smart as Tommy even though he does have a degree.

Incidentally, Tommy, we understand that on a per capita

basis, Randall County has the best educated citizens in the country.

In a story which appeared in The Globe-Times Wednesday of last week, Globe-Times staff writer Bob Kerr refers to a power struggle in commissioners court. The story takes a left-handed slap at Angel for voting off the votes on deadlocked issues saying Angel most often votes with the two commissioners from the south part of the county.

The story does not go into detail on the reasons for Angel having voted as he has. The right and wrong is not discussed.

Judge Angel said Kerr did not discuss the story with him before it appeared in the Amarillo newspaper. Angel was given no opportunity to present his side of the matter.

Kerr's story makes much of inequitable taxation between city and rural property. It might be well to discuss some adjustment if tax inequity exists. However, the Amarillo newspaper has little right to discuss tax inequity in Randall County when there is such glaring inequity in Potter County, home county of Thompson's newspaper.

Let's look at a paragraph from Kerr's story:

"City homes are taxed on valuations that range from \$300 to \$500 under market value," the Globe-Times scribe writes. "Rural land is taxed on values which fall far short of market prices: grassland which sells from \$50 to \$75 per acre is taxed on a \$30 to \$35 valuation; dryland farms worth \$80 to \$125 per acre are taxed at \$55 to \$65 per acre; irrigated land selling for prices starting at about \$200 an acre is taxed on a value of \$175 an acre."

Let's see how things are done in that county of light where Mr. Thompson has everything just and equitable.

We talked to Pat Pollard, deputy tax collector for Potter County, Tuesday. Pollard said that some grassland is on the tax rolls in Potter Co-

Letters To The Editor

Dear Editor:

Well, at last we have them! Those money saving voting machines. At least according to the front page article the Texas League of Women Voters, in Sunday's Amarillo Globe-Times stated very clearly

that Randall county would save \$1,340 per year by using voting machines. But it will cost only \$61,000 in voting machines to save that \$1,340 yearly! How will the money be provided to pay for them? A bank loan? That is possible and the interest at the low rate of 4 1/2% would only be \$2,745. We save \$1,340 and spend \$2,745.

Let's back up. I'm getting confused--

There must be another way. Maybe the company that sells the machines will sell them to us, without interest and let us pay them out at the rate of \$1,340 yearly. That would work out very nicely, for in 46 years they would be paid for. Of course about 20 years before the mort-

A friend of ours from Dallas told us only Tuesday that the gossip in the Dallas Press Club has it that Washington newsmen are laying odds that Robert Kennedy will be running mate for John Kennedy in 1964.

We can't believe it will happen.

We have little to say in defense of the conduct of Richard Nixon as he bowed out of the political arena. He blamed all sorts of external forces (mostly the press) for his political demise. It was an ungainly departure.

However, we were not prepared for the attack made on him Sunday night.

The American Broadcasting Company gave top billing to convicted traitor Alger Hiss in a show which gloated over former Vice-President Richard Nixon, defeated California gubernatorial candidate.

The show was entitled "The Political Obituary of Richard M. Nixon." Alger Hiss was one of the central figures.

If you remember Nixon played a key role in putting Hiss behind bars for his part in passing on state secrets to the Soviet Union a few years back.

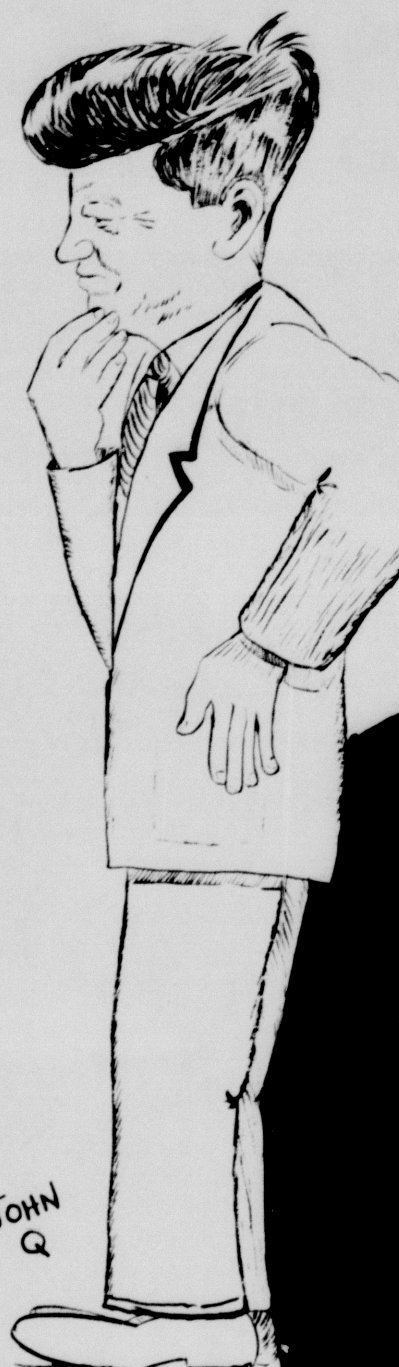

Also, you may remember, it was ABC which sent Lisa Howard to speak here earlier this year.

Miss Howard told her listeners here that state socialism is one of the foremost foes of communism. She praised socialism as practiced in England and Scandinavia. She referred to Tito of Yugoslavia as merely a state socialist and not really a communist dedicated to world revolution.

Charlie Keys, station manager for KVII television which is ABC's outlet in Amarillo, said his station did not carry the controversial show.

He said there was no particular reason for the show not being carried except that the time is used for another program. Area viewers tuned to the Amarillo ABC outlet saw "The Outlaws" instead of "The Obituary."

WORD FOR IT.

by Dr. J. A. Hill

Hilltop Views

Just one week from the time this reaches the reader our country will be observing Thanksgiving--a custom that reaches back to 1621 when, according to present day standards, there was little for which to be thankful.

In our superabundance of things material today it is difficult to realize how people who lacked food, clothing, and shelter; who were thousands of miles from native country and in a land of hostile Indians; who, day by day, faced nothing but hardship and dangers, could gather around nature's altar and devoutly thank God for their blessings.

These Pilgrims on New England's rock-bound coast eloquently proclaimed by this first Thanksgiving service the qualities of life that can enable a people to meet and solve the most difficult problems, the most challenging situations, whether of the individual or of nations.

In the 341 year interim since the first Thanksgiving in North America, the heirs of these and other seekers of freedom, have produced an unprecedented supply of the things the Pilgrims most lacked--food, clothing, shelter and abundant facilities and opportunities for cultural attainment and enjoyment. In spite of these blessings there are those who wonder if we are as thankful as were our founding fathers.

The essence of gratitude is spiritual. It does not necessarily arise from the abundance of things. It is as likely to be found in hovels as in mansions--possibly more likely. Great wealth has a tendency to make us materialistic. Also it tends to inflate the ego--to make one think more highly of himself than he ought. Many times we have seen men who became suddenly rich swell like a toad. Money in the pocket is no sure sign of brains in the head or spiritual directives in the heart. That is being demonstrated every day now in the courts of Texas and of the nation.

The Pilgrims were humble, industrious, self-reliant, resourceful, courageous, and spiritually-minded. Upon these characteristics they, and others of their kind laid the foundations of this representative democracy. In these current Thanksgiving days each of us would do well to weigh himself against Pilgrim virtues.

The future of this country will depend as much upon the character and conduct of Mr. Average American as upon the policies and practices of its president, the Congress, and the Supreme Court combined. Water, unless under artificial pressure, does not rise higher than its source; and a government such as ours will scarcely rise above the intellectual, moral and spiritual level of the people it governs.

Dear Editor:

Thank you so much for the nice publicity given in your paper concerning our Chapter Installation on October 27.

We appreciated your interest and consideration very much.

Yours very truly,
Canyon Alumnae Chapter
Of Delta Zeta

310 for, and 1086 against. So while every other voter in the county rejected the machines 3 to 1, South Amarillos vote approved the machines.

Total votes, South Amarillo, 5,741. Balance of county, 13,961. Thus South Amarillo has control of better than 4 to 1. Maybe that's good--maybe that's bad, I do not know.

I. H. Buchanan

Dear Editor:

You are a good man, a real good Christian man, but a mediocre editorial writer and a lousy political prognosticator, as you no doubt realize this morning after election.

Guess you have a hangover this morning so I will not be too severe with you. Hope it will not be necessary to hospitalize you.

However you are really the rugged type of individual and I feel sure you will recover.

Best wishes,
Farmer Schaeffer

(Ed. Note: Farmer, you must be the one who is sick. This epistle of yours is almost civil.)

Mrs. M.B. Sims

HAS BEEN SELECTED BY ANDERSON APPLIANCE AS
NOVEMBER HOUSEWIFE OF THE MONTH

Mrs. M. B. Sims has been chosen housewife of the month for November by Anderson Appliance Store.

Mr. and Mrs. Sims live in a beautiful new three-bedroom home at 518 Eleventh Avenue which Mr. Sims built. He is a building contractor, and deals primarily in residential homes. They have lived in Canyon six years, and formerly lived in Seminole, where they owned and operated a motel.

The Sims have two sons, J. W. of Amarillo, and John, who is a freshman in high school.

Mrs. Sims has been using Frigidaire washers for years. When asked what she thought of Frigidaire products, she stated, "I think they are really wonderful. That is why I have stayed with them for so many years."

Mrs. Sims now owns a new Frigidaire washer and dryer in a beautiful yellow color. She also said that she doesn't wash anything by hand, but makes full use of the advantages offered by her Frigidaire.

When asked what she thought of the service offered by Anderson Appliance, she said, "They have always given me excellent service. When I need them, they are always very prompt. One thing about Anderson Appliance, they are always completely honest in their dealings."

For prompt, efficient service, and just the right appliance you may be looking for, stop in at Anderson Appliance. Satisfaction guaranteed.

BRAD WILSON

Brad Wilson To Phoenix As Golf Pro

Brad Wilson, West Texas State College golfer turned pro, will go to Phoenix, Ariz., Sunday to work as a golf pro in the Phoenix area.

Wilson, son of Mr. and Mrs. C. L. Wilson of Canyon, was graduated from WT last spring. He majored in physical education and minored in journalism. He hopes to do some sports writing along with his golfing.

Brad was a member of the WT golf team last year. He plans to work next summer at a Liberal, Kan., golf course. He worked at the country club in Hereford during his college years.

Wilson has been working at the Perryton country club. He underwent surgery in July and then returned to Perryton following his recovery.

Board OKs Line Repair

Canyon school board Thursday night at a called meeting voted to replace some water pipe and sewer line at the site of the new elementary school building.

The architect on the job discovered that some 3 inch water line had rusted out and must be replaced and it was found necessary to replace some tile sewer line running under the site with cast iron line. Total cost of these changes comes to \$2300.

Bowling Tourney Scheduled

A mixed couples bowling tournament will be sponsored by the Canyon Bowl beginning November 17.

The tournament is for members of the Amarillo Bowling Association only, and will run four consecutive weekends, November 17, November 24, December 1, and December 8. Approximately 800 men and women will participate in the tournament.

This is the first mixed couples tournament to be held in the Amarillo Association. Eddie Knowles of the Canyon Bowl said he hopes the tournament will become an annual event. A mixed couples contest was chosen because of the trend to mixed couple bowling on open nights at the bowling alley.

North Randall News

Mr. and Mrs. Cecil Read and their three children of Denver City were week-end guests in the Z. D. Starkey home. Mrs. Read is Mrs. Starkey's sister.

Mrs. Aaron Wright and children from Albuquerque, New Mexico were here to visit Mrs. Wright's sister Joan Fowlkes who is recovering from surgery.

Marty Widick helped Jeff Cates celebrate his sixth birthday on Nov. 8. Jeff is the son of Mr. and Mrs. Roy Cates on Goodnight Trail.

The North Randall County Intermediate Girl Scouts were "rousted" out of bed Saturday morning, Nov. 3rd, and taken to a come-as-you-are break-

fast at the home of Mrs. Bill E. Harp on Sundown Lane.

The leader of the troop, Mrs. Jerry Hays, and Mrs. Harp were hostesses for the breakfast.

Attending scouts were: Maribeth Oglesby, Rhonda Johnson, Vickie Starkey, Cynthia Holcomb, Linda Earle, and Sue Kestler.

After the girls were served breakfast of bacon, eggs, biscuits and hot chocolate, they woke themselves up by playing football and other games outside.

Baby doll pajamas, flannel pajamas and frilly nylon gowns were some of the attire for the occasion.

Recent visitors in the home of Z. D. Starkey were Mr. and Mrs. Bill Stephenson and children of Denver City and Mr. Stephenson's mother and grandmother from Dimmitt. Their visit was made more profitable by the gift of a puppy to take home with them.

Boy Scouts Now Mounted

Canyon Troop 66 of the Boy Scouts of America is organizing a mounted troop from their numbers.

Oscar Hinger, Scout Master for the troop, said this was a new thing they were trying out. They boys in the troop, who had access to horses, went on their first mounted outing Saturday.

G.W. Downings Are Parents Of New Daughter

Mr. and Mrs. Gerald W. Downing of San Pablo, California, have announced the birth of a daughter, Scarlett Dawnne, on November 4 in Oakland.

Maternal and paternal grandparents are Mr. and Mrs. M.S. (Bill) Downing and Mr. and Mrs. C. N. Cosby of Canyon. Great-grandparents are Mrs. Lottie Suggs and Mrs. Ada L. Wood, also of Canyon.

John Hardaway, who is head of the troop's camping committee, took fifteen Canyon boys from the troop on a 12-mile trail ride to the Bob Lindsey ranch southwest of Canyon. The boys brought their own horses.

Hinger, the Scout Master, said the troop has a long list of activities planned. He said the next trip will be a snow-skiing and camping trip to Taos or Red River Ski Valleys in Northern New Mexico.

Hinger said another trip in the mill is a week-long camping trip into the Pecos National Wilderness Area in Northeastern New Mexico. "This will be a week-long camping trip without access to the country store," Hinger said.

Mr. and Mrs. John Guthrie, Jr. are in Houston this week attending the graduation exercises of their daughter, Helen, from the Hermann Hospital School of Nursing. They also plan to visit their other daughter, Anne, on their return trip. She is attending North Texas State

BEAUTY SHOPPING AT WTSC

by John Brazzil

County Agent's Column

Cattle may receive a deadly dose of hydrocyanic or "prussic" acid while grazing frosted forage. Plants which are members of the sorghum family, and this includes both grain and forage varieties and crosses, are potentially dangerous. A good management practice is to confine the cattle in areas

not accessible to sorghums until the plants have time to dry cure. This poison condition works rapidly. A successful treatment is available but the rapidity with which this poison works makes treatment difficult unless instant preparations are made.

The grazing lands of Randall County are covered with an excellent cover of grasses. As these grasses cure for the winter fire hazards increase. Hunting season is at hand. Hunters are urged to be extra careful about fire while out on the ranges and pastures waiting for a shot at that gander or bob white.

Grain sorghum harvest is all but over. The last few remaining acres are due to be harvested any day now. This crop can be described at fair to excellent. Some dry land acres yielded up to fifty bushels per acre. Yields in excess of 6 thousand pounds per acre on irrigated land were not uncommon. Many farmers with irrigated acres overestimated their yields by as much as a thousand pounds per acre.

Generally mild weather during October over the Western Range area was favorable for livestock permitting extensive grazing of range and pasture feed and field crop residue. Present conditions indicate the supply of range and pasture feed for winter grazing will be significantly above last year and the best since 1958-59 wintering period. Supplies of hay and roughages for winter will be ample for the Western states as a whole. Progress of fall livestock marketing is about the same as in recent years.

Current grazing conditions are above average in all but 2 of the 17 western states--and for the region as a whole, grazing supplies are the best in 4 years.

Another Community 4-H Club is in the formative stage. This one will be for the boys and girls of north and west of Canyon. The extension agents will meet at the Ted Allen home on Thursday night, Nov. 15, to plan for the 4-H Club work with adult leaders and parents.

A 7-percent credit may be earned by farmers and ranchers who purchase tangible property to be used in their trade or business. This tax credit may be used when the tax return for 1962 is prepared. These and other points were covered in the Income tax school at Canyon on Nov. 8. Now is an excellent time, before the first of the year, to make a good

FTA Members Have Program At Lions Club

Members of the Canyon High School Future Teachers of America Club presented the program for the Lion's Club meeting last week.

Mary Ann Wheelock and Reggie Reeves spoke on "Today's Teaching--Tomorrow's Heritage," the speeches they used as contestants in the Mr. and Miss FTA contest held during

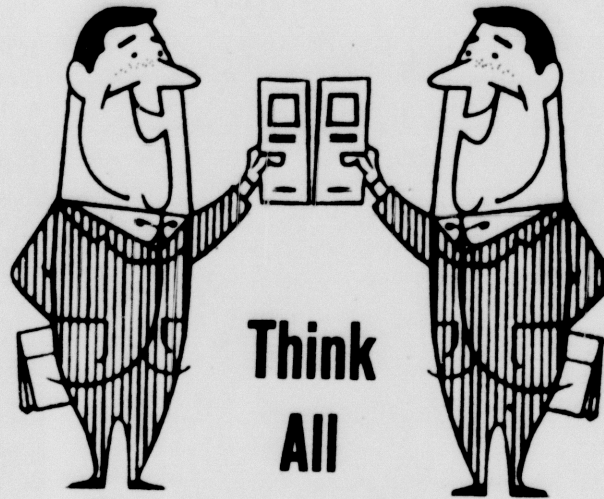

the District IX FTA convention last Tuesday on the West Texas State College campus. Reggie placed second in the contest.

The other FTA speaker was Wam Moore. Wam won first place in the district contest last year and went to the state meeting in Austin. He told what winning the contest meant to him and of his trip to Austin. Sponsor of the FTA is Miss Mary Carter, English and journalism teacher at Canyon High School.

Lactation Records Are Announced

The Holstein-Friesian Association of America has announced a new lactation average for the registered Holstein herd of Louis G. Henders.

Louis G. Henders, Canyon, has 28 completed production records averaging 16,128 lbs. of milk and 599 lbs. of butterfat.

Lactation averages are calculated on the commonly-employed two-milkings a day, 305 day, mature equivalent basis. This provides a uniform basis for comparison and selection in registered Holstein breeding programs.

Texas A. & M. College supervised the weighing and testing of production as part of the official herd testing programs of the national Holstein organization.

Subscribe to The Canyon News today, only \$3.06 a year in Canyon and Randall County and \$5.10 elsewhere.

Harold Williams, agriculture instructor at the West Texas State College is really enjoying the show at last week's West Texas T-Anchor

Intra-murals Rodeo. Williams was one of the pick-up men during the two day show.

WT Ag Instructor Is Teacher On Horseback

Harold Williams, instructor on the faculty of the West Texas State College and assistant manager of the college farm, is a teacher on horseback.

From Post, Texas, just south of the caprock, Williams started his work at WT in the spring of 1957 when he entered the WT Agriculture Department as an undergraduate student. He finished his studies at WT in 1959 when he earned his Bachelor of Science degree in Agriculture.

Following his graduation at WT, Williams went to work for the large (127 sections) L-7 ranch near Crosbyton, Texas, where he was in charge of a horse breeding program on the L-7's registered quarter-horse herd.

The program involved upgrading of the herd's 40 brood mares through the use of artificial insemination.

After finishing the L-7 breeding project, Williams attended the University of Arizona where he worked towards his master's degree in science degree in general animal breeding. He finished his master's at Texas Tech, earning a master's degree in agricultural education. Williams joined the WT faculty immediately following his graduation from Texas Tech.

Among Williams' many duties as an agriculture instructor is the assistant management of the WT farm north of Canyon. He has the responsibility

for the general management of it in addition to helping handle the agricultural projects in progress there.

The farm furnishes an outdoor laboratory for the Agriculture Department. It gives the agriculture students a chance

to practice agriculture theory in action.

As an activity outside of his regular teaching duties, Williams devotes much of his spare time to helping the student members of the T-Anchor Rodeo Club with their competitions.

He was one of the pick-up riders at the just past T-Anchor intra-murals rodeo.

Williams is himself an experienced rodeo competitor, having been a member of the West Texas State College T-Anchor Rodeo Club when he was an undergraduate and a member of the Texas Tech Rodeo Club when he was there.

Williams' brother, Darrell Williams is also at WT where he is a senior in biology. Darrell is president of the West Texas T-Anchor Rodeo Club.

Prairie Wildlife

The hunting season is getting into full swing with many hunters heading for the fields and some already coming back after successful hunts.

PHEASANTS

We talked to L. J. Witkowski last week about his recent pheasant hunt in the rolling hills of Nebraska. Witkowski said he tries to keep hunting all the time. On the last trip, he said, was with several Canyon sportsmen including Dick Dawdy and John Williams.

The group left Canyon two weeks ago last Friday (Oct. 26th), and returned four days later. They headed for the country around McCook, which

Witkowski says is small farmland country with numerous brush-filled gullies. He said everyone in the group came back with plenty of birds—only four less than the limit of sixteen per hunter.

Witkowski said the hunting in Nebraska was better than it has been in the last three or four years. He said there was plenty of heavy ground cover for the big birds. He said the country hadn't had a freeze at that time, though it probably has by now.

Witkowski said the pheasant hunting should be even better in a few weeks and that he is planning to make another trip up that way.

He said that during the time his group was in Nebraska the hunting pressure was pretty heavy. "Mostly out of state hunters," Witkowski said.

He added that there was no trouble finding plenty of places to hunt in Nebraska. "We just asked the landowners for permission to hunt on their lands and they seldom refused," He added that the Nebraska Chamber of Commerce likes it that way.

Witkowski also told us that Leonard Winters recently got back from Colorado with the lion's share of deer and elk.

Richard Pruett and a group of friends left last Friday for Kansas to do some pheasant hunting. Pruett, George Hinch, Worth Jennings and Bill Downing hunted all day Saturday and Sunday.

The group was joined Saturday

by Francis Shell and his son, Bruce. Pruett said the cover was pretty high and made it difficult to flush the birds. The group only got nine birds Saturday and none Sunday, but they enjoyed the hunt anyway, he said.

"We didn't see too many birds Saturday, but we got half of what we saw," he added. Shell was using an Ithaca 12 gauge with #6 chilled shot.

FISHING

Frank Bounds tells us that he has just returned from a successful week of fishing on the Texas coast with his wife and friends. Bounds, his wife, M. B. Brown and his wife, and E. J. Thomas (no relation to this writer) and his wife were in the group. They went down on the 26th of October and the Bounds' came home early, returning on November 6th.

They brought back their share of the fish—130 pounds of it. Mostly redfish. Bounds said he left some 30 pounds on the coast with the Thomases and Browns who stayed over. They returned last Monday the 12th.

Bounds said the group took all three of their boats and fished mostly in the intercoastal waterway near Corpus Christi. He said the seas were much too rough and windy outside the waterway for good fishing.

Bounds said that fishing in the waterway was pretty good with plenty of redfish and trout biting. The group used fresh water spinning equipment with 15 to 20 pound test monofilament lines, using live shrimp as bait.

He said it wasn't much trouble landing a 10 or 12 pound fish on the 15 pound test lines as there were no trees or snags to foul the lines on. "Just plenty of ocean,"

Bob Brown, manager of the Buffalo Wildlife Refuge on Buffalo Lake, tells us that fishing has been pretty good out at the lake. "Crappie and catfish are still biting," he said. He added that there have been only a few fishermen until the last few days when better weather attracted fishermen out to the lake. He said there have been quite a few fishing for this time of the year.

WATERFOWL
Brown urges that fishermen remember that this is the season for migratory waterfowl and that the upper two-thirds (that portion at the opposite end from the dam) of the lake is restricted. No vehicles or boats are allowed on that portion during the waterfowl season. This is to prevent disturbing the wintering waterfowl that are resting on the lake in their long trip south.

DUCKS AND GESE
Brown said the refuge is presently host to about 12,000 ducks and some three dozen geese. The geese came in a week ago, (Nov. 5th) he said. "All the birds seem to be in good shape and the local waterfowl feed situation is about normal," he added. He said the ducks are presently doubling their numbers on the lake every week, but that there are fewer this season than is normal. He adds that there are a few redheads and canvasbacks in on the refuge now and that these birds are fully protected

October Moisture Reported

Canyon and vicinity had 1.64 inches of precipitation during the month of October according to Dr. M. B. Measamer at West Texas State College.

High temperature for the month was October 11. Lows recorded came the nights of Oct. 29 and Oct. 31 when the mercury dipped to 35 degrees.

under federal game regulations. He said hunters should be careful they don't get any of them.

Since the geese and brant season has already opened in Texas and the duck season is due to open December 6th, we will see what we can gather on local sportsmen and their coming hunts. We welcome all area hunters to let us in on the trips you are planning and your success when you return. Happy hunting!

'63 Chevrolet Trucks

THEY'VE ALWAYS BEEN TOUGH BUT NEVER STRONGER THAN NOW!

You can be sure that new engines, frames, suspensions that licked Mexico's Baja* Run will work for you long, faithfully and at traditionally low Chevrolet cost.

A Chevrolet truck has always been a sound investment because of its quality construction. This is what makes it give you an honest day's work every day at very low cost—and when you are finished with it—return more resale money to your happy pocket.

This year stronger frames, engines that can pull more, and practically tailor-made suspension systems make Chevrolet trucks a better buy than ever. If you're in the market now, we'd welcome the chance to tell you about, and let you drive, the new trucks. Just give us a call.

Mrs. R. A. Neblett Is TB Seal Drive Chairman

Mrs. R. A. Neblett of Canyon is one of the co-chairmen of the 1962 Tuberculosis Association Christmas Seal campaign along with Warren Freeman, Sr., of Amarillo.

Some others who are donating their time and services to assure the success of the Christmas Seal campaign include Mrs. J. L. Scott, Executive Director of the Potter-Randall Tuberculosis Association; the Amarillo Junior League; Armstrong Transfer and Storage Company; "Buffalo Gals" of West Texas State College in Canyon; the Civil Air Patrol; and the Taylor-Evans Farm Stores.

The 1962 Christmas Seal shows two children decorating a Christmas tree. This is particularly appropriate since Christmastime is especially for children. And you can help make Christmas and every day happier for children and for adults stricken by tuberculosis, by buying and using Christmas Seals.

Mr. Freeman, Mrs. Neblett, and all other participants urge

you to show that you care by looking for your Christmas Seal letter in the mail, and then by returning your contribution to the Potter-Randall Tuberculosis Association. And please be sure to use Christmas Seals on your cards and packages.

by Mrs. J.W. Wesley

Fairview Breezes

(DELAYED)

Mr. and Mrs. Will Smith and boys visited church recently. After services, they visited with their daughter and her family, Mr. and Mrs. Cortez McNeal, and in the home of Mr. and Mrs. G.E. Wesley.

Mr. and Mrs. J.W. Wesley went to Brownfield recently and visited their children, the Whitsons and the Wesleys. On their way home, they stopped in Lubbock to visit Mr. and Mrs. Arlen Wesley and children; and in Abilene where they visited the E.P. Wesleys.

Ora Evans was released from the hospital Monday, and is still recuperating at home.

Kyle and Lydia Wesley visited their grandparents in Brownfield recently, while their parents, Mr. and Mrs. Arlen Wesley attended homecoming at Texas Tech.

Richard Evans and his brother-in-law are at Adrain cutting maize.

Visiting in the J.W. Wesley home over the week end were their daughter and her family, Mr. and Mrs. D.L. Whitson and children Jimmy Don and Darla

Ann of Brownfield. Darla Ann is a member of the Brownfield High School Band, one of the bands which was featured at the West Texas-Bowling Green football game Saturday evening in Canyon.

C.P. Rogers and his sister, Edna Wilson, attended the farm sale at Dawn last Wednesday.

Those enjoying games of 88 in the G.E. Wesley home last Wednesday evening were C.P. Rogers, Edna Wilson, Mr. and Mrs. Ervin Wilson, Glenda and Eddie, and Mr. and Mrs. J.W. Wesley.

Visitors in the J.W. Wesley home Sunday were Mr. and Mrs. Harrison Hall, and Rev. and Mrs. John Sullivan and children.

Mrs. Pauline Wesley was in Canyon Thursday.

Visitors in the Ora Evans home last Tuesday were Hope Wilson, Madge Sutton, Mrs. Cowan, Mrs. Read, and Edna Wilson.

Mrs. Inez Shipman has rented the 66 Cafe in Happy and opened for business Monday.

Hoyle Shipman had a fire in his kitchen recently, which ruined his grill. He was closed two days.

Emiel Schaeffer, Rafor

Mrs. R. A. Neblett of Canyon, co-chairman of the 1962 Christmas Seal campaign, is shown accepting Bob Bellah's check. Bellah was the

first purchaser of Christmas Seals in Canyon. The Christmas Seal campaign is now in progress.

Shipman, and Mr. and Mrs. J.W. Wesley cleaned the community building Friday to get it ready for the election held

Tuesday. Rev. and Mrs. John Sullivan and children visited in the John Patterson home Sunday.

By Jamie Martin

AROUND THE TOWN (With Kids)

The fourth grade boys at the grade school are not going to play tackle football unless Mr. Byrd is there to supervise them.

Instead, they will play flag football. Flag football is played by the same rules except that you do not tackle the person with the ball. Instead, the runner has a "flag" in his pocket. The "tackler" grabs this "flag" and stands where he took it out. Thus, that is where

the runner is downed.

At the next Cub Scout meeting of Pack 97, Den 2 will have a skit. It will be concerning Buckskin Pioneers. It is a comedy.

Den 5 has been making a log cabin and a bronco stable out of Lincoln Logs. They have done this because they are studying pioneers.

Riddle
Why does a chicken lay an egg?

Answer to last week's riddle: Illinois. (Ill.) Mike Wilson guessed the answer to this riddle.

Sadie Hawkins Day Scheduled

A Sadie Hawkins Day party will be held Friday at 7:30 at the Church of Christ Student Center on the West Texas State College Campus.

Guests may come in costume, if desired, and girls may invite boys in keeping with the Sadie Hawkins tradition.

After the Sadie Hawkins race, Marryin' Sam will be on hand to perform mock weddings for 50¢ \$1, and \$2.50. Other games and entertainment are planned.

Refreshments of hot dogs and cokes will be served. There will be no charge for the party.

Hettie Currie and Shirley Bonner, party chairmen, will issue

As some of you have noticed there are patrol boys directing traffic out of the loading zone after school. The reason for this is that after school a child might dart out in front of a car and get seriously injured.

Here's how Gas heat COOLS your home!

Cooling with a Gas flame combines four simple laws of nature. The ARKLA-SERVEL Sun Valley® GAS air conditioner employs them to produce the finest air conditioning science has yet devised!

First, BOILING, as in a percolator, moves the liquid refrigerant to the top of the unit in the form of vapor. Secondly, CONDENSATION, as on a glass of cold water, occurs, converting the vapor back to liquid. Next, EVAPORATION provides the chilling effect, just as blowing upon your hand, when wet, makes it feel cool. Last, is the ABSORPTION of the vapor by a salt solution called lithium bromide, in the same manner as table salt absorbs liquids. The liquid then returns to the "percolator" to start the cycle over again.

This is why an ARKLA-SERVEL Sun Valley® GAS air conditioner has no moving parts to wear out or

break down, and why it 1) has a life expectancy of three-to-four times that of an ordinary air conditioner, 2) does not lose its efficiency with age, 3) operates with a minimum of service or repair, and 4) maintains its low operating cost throughout the life of the unit.

All these reasons add up to LOWEST OWNER-SHIP COST . . . and make ARKLA-SERVEL Gas air conditioning truly the wisest investment you'll ever make for your home.
